Small Group Study Bible:

16 Bible Studies for Your Small Group Ryan Lokkesmoe, 2020-09-01 If you're like most small group leaders you often feel overwhelmed by the task of finding study material each and every week. Former small group pastor Ryan Lokkesmoe is here to help. This book has all you need for 16 small group meetings exploring the concept of biblical community. Each study includes icebreaker questions, key Scripture passages, discussion questions about the text, and a guide for leading your prayer time. This is the perfect tool for brand new small group leaders or seasoned veterans looking for a turnkey approach. Let these studies draw you and your group nearer to God and each other as they enhance your understanding of his Word. Daily Life in Bible Times S. E. Thomas, 2017-11-07 Come face to face with the people you read about in Scripture by exploring what their daily lives would have looked like. Learn how a young man selected and courted his bride, what occupations they had, and how they trained for them; how infants were cared for and how the ancients mourned and buried their dead. We will also look at the economic and political climate, learn about crime and punishment, and even find out what they ate and how they dressed. And as you come to know the culture of Jesus Christ, you will see Him more clearly as well. This is a 10-week study.
