Smile Of The Lamb:

The Smile of the Lamb David Grossman,2003-08-01 In a chorus of voices David Grossman's *The Smile of the Lamb* tells the story of Uri an idealistic young Israeli soldier serving in an army unit in the small Palestinian village of Andal in the occupied territories and his relationship with Khilmi a nearly blind old Palestinian storyteller Gradually as the violent reality of the occupation that infects both the occupier and the occupied alike merges with the old man's stories Uri captivated by Khilmi's wisdom tries to solve the riddles and deceits that make up his life Originally published in Hebrew in 1983 *The Smile of the Lamb* is a novel of disillusionment and a piercing examination of injustice and dishonesty **The smile of the lamb**

David Grossman,1992 *Dispatches from the Land of Erasure* Philip Metres,2025-09-16 Drawn from a decade of writing and conversations by Arab American poet and writer Philip Metres *Dispatches from the Land of Erasure* redefines the writer's role as a catalyst for justice and a resister of empire Gathering together a wide range of writing and writers particularly from Arab and Black diaspora *Dispatches* reports on what white imperial culture attempts to erase while uplifting the voices and people who resist that erasure offering a vision of a more just and peaceful world With keen insight into the lived experience of Arab Americans and other historically marginalized communities the book explores the struggle for a just peace through reading Palestinian Arab and Israeli Jewish writers of conscience who contend with the wall of silence around the issue of Palestine Further *Dispatches* illuminates how to write a poetry of peace and justice and how poetic activism and activist poets situate themselves in communities seeking change Divided into four sections *Erasing the Erasures Writing While Arab The Poetics of Palestine The Poetics of Justice and The Poetics of Peacebuilding* *Dispatches* weaves personal essays cultural criticism group chats interviews literary analysis reviews and roundtables that include luminaries like Mosab Abu Toha Hayan Charara Sahar Khalifeh Marwa Helal Erika Meitner Naomi Shihab Nye Craig Santos Perez and M NourbeSe Philip Together the book models the crucial need for robust dialogue to overcome the echo chamber that limits the growth and reach of social movements and to dream of a future beyond the land of erasure *The Arab in Israeli Drama and Theatre* Dan Urian,1997 What is Israeli theatre Is it only a Hebrew theatre staged in Israel Are performances by Arab Israelis working in an Arabic theatre framework not part of the repertoire of Israeli theatre Do they perhaps belong to the Palestinian theatre What are the borders of Palestinian theatre Are not theatrical works created in East Jerusalem by Arab Israeli playwrights and actors and staged on occasion before Jewish Israeli audiences part of a dialogue between Palestinian and Israeli cultures Does theatre only include works staged under that title These and other similarly absorbing questions arise in Dan Urian's wide ranging and detailed study of the image of the Arab in Israeli drama and theatre By the use of extensive examples to show how theatre politics and personal perceptions intertwine the author presents us with a model which can be used as a basis for the further discussion and study of similar social and artistic phenomena in other cultures in relation to their theatre and drama **Inextricably Bonded** Rachel Feldhay Brenner,2004-04-01 Despite the tragic reality of the

continuing Israeli Arab conflict and deep rooted beliefs that the chasm between Israeli Jews and Israeli Arabs is unbridgeable this book affirms the bonds between the two communities Rachel Feldhay Brenner demonstrates that the literatures of both ethnic groups defy the ideologies that have obstructed dialogue between the two peoples Brenner argues that literary critics have ignored the variety and the dissent in the novels of both Arab and Jewish writers in Israel giving them interpretations that embrace the politics of exclusion and conform with Zionist ideology Brenner offers insightful new readings that compare fiction by Jewish writers Amos Oz A B Yehoshua David Grossman and others with fiction written in Hebrew by such Arab Israeli writers as Atallah Mansour Emile Habiby and Anton Shammas This parallel analysis highlights the moral and psychological dilemmas faced by both the Jewish victors and the Arab vanquished and Brenner suggests that the hope for release from the historical trauma lies on both sides in reaching an understanding with and of the adversary Drawing upon the theories of Walter Benjamin Jacques Lacan Sigmund Freud Emanuel Levinas and others *Inextricably Bonded* is an innovative and illuminating examination of literary dissent from dominant ideology *Narratives of Dissent* Rachel S. Harris, Ranen Omer-Sherman, 2012-12-17 Students and teachers of Israeli studies will appreciate *Narratives of Dissent*

Palestinians and Israelis in the Theatre Dan Urian, 2006-02 The Jewish Israeli theatre is a complex and developed system in which the dispute with the Palestinians constitutes just one of the important components in its repertoire while the Palestinian theatre both within and outside of Israel is being consolidated This work brings together these two approaches by relating to the Palestinian theme as it appears in the Jewish Israeli theatre and by attempting to characterize the Palestinian theatre in general *Signatures of Struggle* Oded Nir, 2018-01-01 A Marxist history of Israeli literature tracing the relations between economic social and aesthetic transformations *Signatures of Struggle* offers a unique perspective on Israeli literature bringing Marxist cultural critique to bear on a field from which it has hitherto been absent Oded Nir moves beyond the dominant interpretive horizon of Israeli literary criticism the relation of literature to national ideology Rather than reproducing the usual narrative in which fiction resists the nation's goals Nir demonstrates how in each historical moment literary engagement with national ideology is a means to think through social tensions or contradictions internal to Israeli society to solve in imagination problems that threaten the social order Focusing on moments of transformation Nir argues that the 1950s crisis of realism was the result of the failure rather than the success of the collective transformative project of the haluzim the settler vanguard of Zionism In the 1980s the postmodern turn expressed a crisis of social imagination whose origin was the incorporation of Palestinians into the Israeli economy after the 1967 war Finally he shows that the ways in which history is imaginatively reworked in contemporary Israeli fiction can only be understood through the context of 1950s and 1980s literature Authors analyzed include Yigal Mossinsohn Nathan Shaham Hanoach Bartov Yehudit Hendel Orly Castel Bloom Yehudit Katzir David Grossman Yehoshua Kenaz and Batya Gur Nir's mastery of relevant studies on Hebrew literature is impressive as is his erudition when it comes to theoretical works His textual analyses are insightful and original The book

makes a tremendous contribution to literary scholarship but it is also one of the most important contributions to the entire field of Israel studies in this century Eran Kaplan author of *Beyond Post Zionism* This is a well written brilliantly conceptualized project I have little doubt it will change the way Zionist historiography and the history of Hebrew literature will be discussed Nitzan Lebovic author of *Zionism and Melancholy The Short Life of Israel Zarchi* *A Good Man* Frederick Stoppel,1994 *No More War!* Francis Herbert Stead,1917 **English Poetry and Prose of the Romantic Movement** George Benjamin Woods,1916 **Treasury...** Anthony Charles Deane,1906 **The Literary Review** ,1991 *"The Gospel According to the Lamb's Bride"* Barbara Ann Mary Mack,2007-09-12 The Gospel According To The Lamb s Bride consists of the compilation of ten books written by the author within the past five years The author refers to this book as a Bible because it consists of a spiritual dialogue between the author and Almighty God The Gospel According To The Lamb s Bride consists of prophetic utterances that were conveyed to the author by God Barbara speaking to Jesus the Lamb of God My Lord I thank You for allowing your bride Barbara the opportunity to share in the agony that You experienced when You walked among Your children O Holy Spouse of mine you have graced me with the privilege to share in the agony that comes with being the wife of the wounded Lamb of God You have blessed me with divine strength so that I will endure the suffering that accompanies my mission of Love O gracious spouse of mine shine on your chosen bride so that I will have the strength to withstand the agony that follows me to my destination with you God the father speaking of his brides Barbara exit from heaven 5 Let the Gates of Heaven open wide as you exit My daughter Let the Heavens sound its trumpets as you exit My love Let the doors to Paradise open wide as you exit **Israeli Writing Against Itself** Ruth Essex,2001 This comprehensive critique explores the relevancy of old discourses for contemporary narratives in ten Israeli novels How the theory of deconstruction affects the future of a nation as presented in aspects of these literary texts is the focus of this book The texts represent the meeting of ancient lore and modern narrative as well as the conflict between a demanding past and the threat implied in an open future The fragmentary quality of Israeli fiction denies the guarantee of unity and contravenes a fixed interpretative contextual discourse The major tensions that call for a repositioning of critical standpoints underlie the textual contradictions that pose existential crises for their protagonists and an exciting challenge for the reader **Beginning Reading and Writing** Dorothy S.
