Rousseau, The Snake Charmer's Tale Vincent Gilvarry, 2025-02-06 An enchanting tale set in 19th century Ceylon and 21st century Australia A shipwreck off the coast of Ceylon A diary that holds a key to a long lost treasure and a tale that spans two continent and two centuries After discovering a diary written by a snake charmer called Roshan in 1884 Jasper Powell finds himself in the middle of an age old mystery As he unravels the story Jasper uncovers a key to a treasure that has been stored away in an inconspicuous inner city Melbourne building for over one hundred years Jasper realises that he has a treasure of cultural and historical significance on his hands and decides to make Roshan s dream a reality A tale that is rich with vivid characters and exotic lands The Snake Charmer s Tale is a journey of natural and supernatural delights interwoven with holy men magic and miracles As one reader has said this story is Simply Amazing The Snake Charmer Jamie James, 2008-06-03 Although it was still too dark to see well Joe absentmindedly thrust his right hand into the sack to extract the specimen and have a look Immediately he winced with pain and yanked out his hand A tiny black and white banded snake less than ten inches long was dangling limply from his middle finger its fangs still sunk into his flesh In the fall of 2001 deep in the jungle of Burma a team of scientists is searching for rare snakes They are led by Dr Joe Slowinski at forty already one of the most brilliant biologists of our time It is the most ambitious scientific expedition ever mounted into this remote region venturing into the foothills of

the Himalayas The bold undertaking is brought to a dramatic halt by the bite of the many banded krait the deadliest serpent in Asia In the moment he pulled his hand from the specimen bag and saw the krait Joe knew that his life was in grave and imminent peril Thus began one of the most remarkable wilderness rescue attempts of modern times as Joe s teammates kept him alive for thirty hours by mouth to mouth respiration waiting for a rescue that never came A daredevil obsessed with venomous snakes since his youth Slowinski was a modern day adventurer who rose quickly to the top of his field discovering many previously unidentified snake species in his brief yet exhilarating career The Snake Charmer is at once brilliant biography and exotic travel literature blended with an accessible introduction to the bizarre fascinating and sometimes controversial world of snake science The narrative transports the reader into primeval wilderness from the Everglades to Peru to Burma in search of rattlesnakes and boa constrictors kraits and cobras Joe Slowinski s career was fast and exciting his tragic final expedition a pulse pounding struggle between man and nature In The Snake Charmer renowned journalist and author Jamie James captures the life and death of this charismatic endlessly fascinating man Exhaustively researched in interviews with Slowinski s colleagues and family and the author s own trek into the wilds of Burma this is narrative nonfiction in the tradition of Into the Wild and The Perfect Storm *MAARGIR ~ The Snake Charmer*
