Snakes And Ladders Fergus Finlay:

The Field Day Anthology of Irish Writing Seamus Deane, Andrew Carpenter, Angela Bourke, Jonathan Williams, 1991

Israel/Palestine and the Politics of a Two-State Solution Thomas G. Mitchell, 2013-05-27 This is a dispassionate examination of the viability of a two state solution in the Israeli Palestinian conflict based on the politics of Israel Palestine and the United States It includes instructive case studies from South Africa in Namibia and the Irish claim to Northern Ireland The results of Israeli elections from 2001 to 2013 are analyzed with the conclusion that the Likud will be in any government coalition for at least the midterm future giving it a veto over policy A chapter examining the history and ideology of the secular right over the last 90 years follows There are three chapters of case studies the Likud withdrawal from the Sinai in 1979 1982 and from Gaza in 2005 the withdrawal of South Africa from Namibia in 1988 1989 and the dropping of Ireland's constitutional claim to Northern Ireland in 1998 under a Fianna Fail government the same party that wrote the constitution in 1937 A chapter examines Palestinian politics since the mandatory era and another the American Israeli alliance and American politics A concluding chapter draws lessons from the case studies and the analysis

Snakes and Ladders Fergus Finlay, 1998 Over the last twenty years or so Fergus Finlay has been a key participant in Irish politics This eagerly awaited memoir is full of political insights incidents and anecdotes about some of the most turbulent and eventful years in Irish politics

Albert Reynolds Conor Lenihan, 2021-09-01 In Albert Reynolds Risktaker for Peace Conor Lenihan takes the reader on a journey through the former Taoiseach's fascinating life From his early days in Roscommon Reynolds determination and hard work saw him rise from a humble clerical job with Irish Rail to become one of Ireland's best known showbiz promoters But it is as creator of the template for peace on the island of Ireland that he deservedly will be best remembered Reynolds extraordinary progress from the cut throat world of business to local politics and ultimately government ministries was driven by the entrepreneurial spirit and impatience that became the hallmark of his success and his failure Appointed as Taoiseach in 1992 by 1994 he had been drummed out of office yet in that brief period he confounded his critics by fast tracking an end to the violence of the Troubles with the IRA and Loyalist ceasefires In the first complete biography of Reynolds former Minister of State Conor Lenihan delivers an insider's account that reveals the courageous personal risks Reynolds took to create the template for peace in Ireland and the highs and lows of a tempestuous risk taking life

The Supreme Court Ruadhán Mac Cormaic, 2016-09-05 A wonderful book a superb book and it's not just for people interested in law it tells you a lot about Ireland Vincent Browne TV3 The judges the decisions the rifts and the rivalries the gripping inside story of the institution that has shaped Ireland Combines painstaking research with acute analysis and intelligence Colm Tibbitt Irish Times Books of the Year Mac Cormaic has done something unprecedented and done it with a striking maturity balance and adroitness He creates the intimacy necessary but never loses sight of the wider contexts this is not just a book about legal history it is also about social political and cultural history the Supreme Court has found a brilliant

chronicler in Ruadhan Mac Cormaic Diarmaid Ferriter Professor of Modern Irish History UCD Mac Cormaic quite brilliantly tells the story balanced perceptive and fair a major contribution to public understanding Donncha O Connell Professor of Law NUIG Dublin Review of Books Compelling a remarkable story told with great style Irish Times Authoritative well written and highly entertaining Sunday Times The work of the Supreme Court is at the heart of the private and public life of the nation Whether it s a father trying to overturn his child s adoption a woman asserting her right to control her fertility republicans fighting extradition political activists demanding an equal hearing in the media women looking to serve on juries the state attempting to prevent a teenager ending her pregnancy a couple challenging the tax laws a gay man fighting his criminalization simply for being gay a disabled young man and his mother seeking to vindicate his right to an education the court s decisions can change lives Now having had unprecedented access to a vast number of sources and conducted hundreds of interviews including with key insiders award winning Irish Times journalist Ruadhan Mac Cormaic lifts the veil on the court s hidden world The Supreme Court reveals new and surprising information about well known cases It exposes the sometimes fractious relationship between the court and the government But above all it tells a story about people those who brought the cases those who argued in court those who dealt with the fallout and above all those who took the decisions Judges backgrounds and relationships their politics and temperaments as well as the internal tensions between them are vital to understanding how the court works and are explored here in fascinating detail The Supreme Court is both a riveting read and an important and revealing account of one of the most powerful institutions of our state Ruadhan Mac Cormaic is the former Legal Affairs Correspondent and Paris Correspondent of the Irish Times He is now the paper s Foreign Affairs Correspondent

A History of Irish Autobiography Liam Harte, 2018-03-01 A History of Irish Autobiography is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages Beginning with a comprehensive overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume s extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published

Making the Difference? Paul Rouse, Paul Daly, Ronan O'Brien, 2012-04-30 In 2011 on the cusp of its centenary year the Labour Party recorded its greatest ever electoral success with 37 TDs elected and a President In doing so the party has succeeded temporarily at least in breaking free from the old two and a half party system But why for its first century did Labour struggle to match its ambition This series of essays to mark the party s centenary assesses the challenges facing

Labour in a deeply conservative country where echoes of civil war and Catholic Church hegemony have dominated the political landscape Leading writers from the fields of journalism history and social reform examine the failings splits and contradictions of Ireland's oldest political party alongside the social and economic achievements to which the Labour Party lays claim Contributors Ivana Bacik Michael Laffan Ronan O'Brien Stephen Collins David McCullagh Eunan O'Hallpin Paul Daly Ciara Meehan Niamh Puirseil Diarmaid Ferriter William Mulligan Kevin Rafter Eamon Gilmore William Murphy Jane Suiter All royalties to Barnardos *Blair's Britain, 1997-2007* Anthony Seldon, 2007-09-20 Tony Blair has dominated British political life for more than a decade Like Margaret Thatcher before him he has changed the terms of political debate and provoked as much condemnation as admiration At the end of his era in power this book presents a wide ranging overview of the achievements and failures of the Blair governments Bringing together Britain's most eminent academics and commentators on British politics and society it examines the effect of the Prime Minister and his administration on the machinery of government economic and social policy and foreign relations Combining serious scholarship with clarity and accessibility this book represents the authoritative verdict on the impact of the Blair years on British politics and society

Charlie Vs Garret Eoin O'Malley, 2025-09-18 The two opposing political figures that shaped Irish life in the 1980s and beyond In the 1980s Irish politics was dominated by a fierce rivalry between Charles J Haughey and Dr Garret FitzGerald both leaders of their respective parties Fianna Fáil and Fine Gael Between them they each led all Irish governments in that decade to say their two opposing personalities shaped Irish life during this era is an understatement Eoin O'Malley has amassed an extraordinary body of research including in depth interviews with dozens of the most consequential public figures of the time every Taoiseach cabinet ministers TDs civil servants and advisers As political rivals with different approaches to public life and contrasting visions for Ireland each enshrined in quite different personalities the choice between Haughey and FitzGerald came to signify a great deal more than party loyalty or policy preference it felt like a choice between opposing worldviews And as O'Malley's work finally makes clear through an accumulation of extraordinary insights including interviews with Haughey and FitzGerald themselves it was fed by a deep reservoir of personal insecurity and paranoia Each was deeply preoccupied obsessed even with the strengths appeal and threats of the other to the extent that this rivalry itself became one of the decisive factors in Irish life that shaped Ireland well after they had left power

Showtime Pat Leahy, 2009-08-27 In boom and in bust Ireland has been led by Fianna Fáil Showtime gets behind the party's remarkable dominance of the political landscape and leading political writer Pat Leahy tells the gripping story of how it won kept and has used power since the mid 1990s Showtime explains how Fianna Fáil operated during the boom years from November 1994 when Bertie Ahern assumed leadership of a battered party expecting to become Taoiseach but instead finding himself cast into opposition to the day he relinquished the party leadership on the brink of the bust For a decade after it achieved power in 1997 Fianna Fáil led the government during an unprecedented economic boom and enjoyed riches

beyond the wildest dreams of any previous administration Showtime reveals how government really worked in these years the favours the grudges the backroom deals the political strokes the policy compromises and the choices that have led the country to where it is today Showtime is politics in the raw the exciting enlightening and sometimes disturbing story of a remarkable era that changed the face of modern Ireland

Unveiling the Magic of Words: A Report on "**Snakes And Ladders Fergus Finlay**"
