Gorman, 2002-06-01 Over the past thirty years there has been a boom in small groups both in society at large and within the church From Bible studies to MOPS to Alcoholics Anonymous it is estimated that four out of ten Americans belong to a small group that meets regularly for the care and support of its members But are these groups creating true biblical community or do they settle for self focus and personal gain Julie Gorman has studied small groups for decades and presents her analysis insights and suggestions in *Community That Is Christian* an essential resource for building community in church based small groups This comprehensive book serves both as a text for those who equip leaders or lead small groups and as an interactive manual for
