So You Want To Be A Superintendent

William Hayes

So You Want To Be A Superintendent:

So You Want To Be A Superintendent? William Hayes, 2002-05-09 The perfect primer for anyone interested in becoming a superintendent Veteran superintendent William Hayes shares his insight and experience in areas ranging from relationships with the Boards of Education faculty staff the administrative team and the media to balancing the public and personal life of a chief school officer He closely analyzes current issues in education such as integrating technology into the school system and the legal problems facing superintendents and school districts *So You Want to Be a Superintendent* Myrl Massie, 2009-07-01 **Achieving Success for New and Aspiring Superintendents** Mary Frances Callan, William Levinson, 2011 The authors of this book wrote it for those aspiring to be superintendents those new to the position and those completing their second or third year and who are looking to the future What makes their approach unique is the belief that talented people who aspire to be superintendents are far more likely to accomplish that goal and achieve success on the job if they understand the totality of the position School districts are complex organizations Providing effective leadership to these organizations requires mastery of a wide array of leadership and organizational skills Aspiring superintendents with vision and motivation who understand the inherent challenges of the position have a great advantage over those who do not The book's goal is to provide readers with this advantage This is why the book covers the full cycle of the first superintendent position preparation application and transition the challenges of the first few years and the decision to stay or move to another position Aspiring and new superintendents who read the book will learn about the full range of skills and knowledge needed to succeed They will be better prepared to be effective superintendents **Effective Superintendent-School Board Practices** Rene S. Townsend, Gloria L. Johnston, Gwen E. Gross, Peggy Lynch, Lorraine Garcy, Benita Roberts, Patricia B. Novotney, 2006-09-14 The authors fill a gap in the literature by providing a practical experience based look at how superintendents should approach the most important relationship in their professional lives Working effectively with school boards is what it is all about and this book shows you how Paul D Houston Executive Director American Association of School Administrators This book provides practical insights and useful ideas to help district leaders who are serious about keeping the educational interest of children first among their priorities Pedro A Noguera Professor New York University Clearly lays out the important role the superintendent has in leading the district in partnership with the board of education This book is well worth the time of every current and aspiring superintendent and school board member Anne Bryant Executive Director National School Boards Association This book is a useful tool in building district governance teams The authors collective wisdom provides valuable insight for superintendents and school board members Luan B Rivera President California State Boards Association A wonderful clear and jargon free primer on how to be a successful superintendent This book is must reading for superintendents and a real plus for school boards Dede Alpert Former California State Senator Former Member California State Assembly An outstanding fieldbook for those interested in down to earth strategies for navigating the

complexities of providing leadership in school districts General Davie Jr Retired Superintendent of Schools Foster a strong superintendent school board relationship centered on quality teaching and learning Effective Superintendent School Board Practices helps current and future superintendents and school board members develop an effective governance team that prioritizes quality teaching and learning Designed for practicing and aspiring superintendents and school board members this exceptional book relates the everyday experiences and challenges faced by this important district team Combining 84 years of service as superintendents in urban rural and suburban school districts the authors offer Real life vignettes that highlight problems successes key points and useful practices Indispensable information on building relationships creating a team managing conflict and staying focused on the mission and priorities of the district Reflective practice questions and self assessments throughout This rich resource offers knowledge skills and strategies to teach and inspire current and future leaders based on the experiences of practitioners who have learned what works and what doesn't leaving valuable time to focus on student achievement

So You Want to Become A Park Ranger? Richard Boyer,2010 So You Want To Become a National Park Service Seasonal Interpretative Park Ranger is for those who want to know the process to become a ranger and to realize the daily experiences of a seasonal interpretative park ranger **So You Want to Be a Principal?** W. Fred Bowen,2010-12-14 So You Want To Be a Principal relates many of the experiences Mr Bowen encountered while working in public and international schools It suggests that many of the circumstances are difficult and unusual necessitating the development of a skill set that is not available prior to one's appointment as an administrator and which must therefore be learned Death crime alcohol and drug abuse parental confrontation cultural differences terrorism and school board politics are some of the areas which he describes in vivid detail *Proceedings of the ... Annual Convention of the State Association of Superintendents of Poor and Keepers of County Infirmaries* State Association of Superintendents of Poor and Keepers of County Infirmaries (Mich.) Convention,1915 **So You Want to be a School Board Member?** William Hayes,2001

Dedicated informed school board members are basic to school improvement and success This practical book explains the role of the board member from election to taking office Potential board members are introduced to timely issues they are likely to face including school violence high stake testing curriculum reform and school choice In addition to an overview of issues Hayes examines the relational aspect of the job working with the superintendent school employees and the community All superintendents should buy this book for potential board members and the readable style will attract anyone interested in the job *The Superintendent's Rulebook* Patrick Darfler-Sweeney,2018-06-14 A concise and accessible text The Superintendent's Rulebook explores the human resource political and leadership dimensions of the superintendency This important book is designed for new aspiring superintendents and Boards of Education helping readers to apply the many leadership lessons taught in training programs and education leadership courses to their everyday practice Full of real world examples takeaway strategies and supplemented with discussion and inbox questions this valuable resource encourages

reflection while capturing the day to day spirit and complexities of district level leadership
