Sobering Dilemma The History Of Prohibition In British Columbia:

Sobering Dilemma Douglas L. Hamilton, 2000 *The Notorious Georges* Jonathan Swainger, 2023-10-15 Boozing and boisterous The Georges the communities of South Fort George and Fort George that ultimately became Prince George acquired a seedy reputation for a century at times branded the dubious title of Canada's most dangerous city Is Prince George really such a bad lad The Notorious Georges explores how the pursuit of respectability collided with caricatures of a riotous settlement frontier in its early years Anxious about being marginalized by the provincial government and venture capitalists municipal leaders blamed Indigenous and mixed heritage people non preferred immigrants and transient labourers for local crime Jonathan Swainger combs through police and legal records government publications and media commentary to demonstrate that the disorder was not so different from the rest of the province and respectable white residents were often to blame This lively account tells us about more than a particular community's identity It also sheds light on small town disaffection in modern Canada

Brewmasters and Brewery Creek Noëlle Phillips, 2024-10-15 A thorough investigation into the history of craft beer Kendall Hunter author of Beer Hiking Canadian Rockies This rigorously researched deep dive into the history of craft beer in Vancouver makes an exciting addition to books on the city's history certain to appeal to beer lovers and history buffs alike Few would dispute that these days Vancouver is a prime craft beer destination with over 70 breweries in the greater Vancouver area and 35 in Vancouver proper Beer has shaped the city's culture and in turn Vancouver's idiosyncratic identity has also shaped its craft beer But how did it all begin In this rigorously researched deep dive into the history of craft beer in Vancouver beer historian and enthusiast Noëlle Phillips follows independent brewing

from the city's inception in 1886 to the onset of prohibition in 1917 and hopping over the big beer period of 1920-1980 delves into the explosion of micro small batch and craft breweries that dot the city's neighbourhoods today. She traces the smaller lesser known breweries, brewers and owners through archival materials, newspaper accounts and personal interviews. Along the way, she uncovers stories and details that have been largely unknown even to local beer writers and aficionados. Illustrated with photos, original newspaper clippings and maps with stops into basement archives and sunlit tap rooms.

Brewmasters and Brewery Creek is an inviting and exciting addition to books on the city's history that will appeal to beer lovers and history buffs alike. Rum-runners and Renegades Rich Mole, 2013-05-15. On October 1, 1917, prohibition came into effect in the province of British Columbia. Washington and Oregon had gone dry the previous year. The ban on liquor sales led to deadly conflict and legal chaos in the Pacific Northwest, and the legacy of those booze battles continues into the 21st century. Rich Mole introduced readers to West Coast prohibition's pioneer years in *Scoundrels and Saloons: Whisky Wars of the Pacific Northwest 1840-1917*. In *Rum runners and Renegades*, he recounts the wild and wacky and sometimes tragic results of later prohibition laws through the exploits of both prohibitionists and prohibition busters among them Jonathan Rogers, a wealthy Vancouver builder and prohibition leader, the Billingsley brothers, a quartet of handsome bootleggers from Seattle, and enterprising Johnny Schnarr, Victoria's number one rum runner. From vicious marine hijackers and bedeviled police to corrupt politicians and frustrated drinkers on both sides of the border, this is an action-filled account of liquor and lawlessness on the West Coast.

Along the E&N Glen A. Mofford, 2019-06-04. In 1885, Vancouver Island's E-N rail service carried coal to smelters and ships, and the towns in the railway's path prospered as the tracks expanded. *Along the E-N* celebrates the historic and still surviving hotels and roadhouses that sprung up near the E-N. Within this carefully researched historical narrative, you'll find stories of the halfway house in the Esquimalt District, the murder and suicide at the Mt Sicker Hotel, and the iconic Quinsam Hotel in Campbell River, burned down in 2017. Peppered with stories of patrons and proprietors alike, this book chronicles the history of sixty hotels, most long gone, destroyed by fire or simply demolished. Featuring some of the old hotels remodelled into modern-day neighbourhood pubs, such as the Rod Gun, the Fanny Bay Inn, the Shady Rest, the Cumberland Pub, and the Waverley Pub, *Along the E-N* resonates with the haunting echoes of the train's iconic whistle.

Bootleggers and Borders Stephen T. Moore, 2014-11-01. Between 1920 and 1933, the issue of prohibition proved to be the greatest challenge to Canada-U.S. relations. When the United States adopted national prohibition in 1920, ironically just as Canada was abandoning its own national and provincial experiments with prohibition, U.S. tourists and dollars promptly headed north, and Canadian liquor went south. Despite repeated efforts, Americans were unable to secure Canadian assistance in enforcing American prohibition laws until 1930. *Bootleggers and Borders* explores the important but surprisingly overlooked Canada-U.S. relationship in the Pacific Northwest during Prohibition. Stephen T. Moore maintains that the reason Prohibition created such an intractable problem lies not with the relationship between Ottawa and Washington DC, but with

everyday operations experienced at the border level where foreign relations are conducted according to different methods and rules and are informed by different assumptions identities and cultural values Through an exploration of border relations in the Pacific Northwest *Bootleggers and Borders* offers insight into not only the Canada U S relationship but also the subtle but important differences in the tactics Canadians and Americans employed when confronted with similar problems Ultimately British Columbia s method of addressing temperance provided the United States with a model that would become central to its abandonment and replacement of Prohibition

Scoundrels and Saloons Rich Mole,2012 From the days of the fur trade one constant thread weaves its way through the tumultuous history of frontier British Columbia Washington and Oregon the war over liquor Between 1840 and 1917 the whisky wars of the west coast were fought by historical heavyweights including Matthew Baillie Begbie the Hanging Judge and Wyatt Earp and a contentious assortment of murderous whisky traders angry Natives corrupt policemen patronage loving politicians and trigger happy drunks Liquor was a serious and life threatening issue in 19th century west coast settlements In 1864 Victoria there were at least 149 drinking establishments to serve a thirsty population of only 6 500 Despite various prohibition efforts the trade in alcohol flourished Recreating British gunboat arrests the evangelistic fervour of Billy Sunday and the tireless crusade of the Anti Saloon League author Rich Mole chronicles the first tempestuous and tragic struggles for and against having a drink in the Pacific Northwest

Alcohol, Tobacco and Obesity Kirsten Bell,Amy Salmon,Darlene McNaughton,2012-03-29 Although drinking smoking and obesity have attracted social and moral condemnation to varying degrees for more than two hundred years over the past few decades they have come under intense attack from the field of public health as an unholy trinity of lifestyle behaviours with apparently devastating medical social and economic consequences Indeed we appear to be in the midst of an important historical moment in which policies and practices that would have been unthinkable a decade ago e g outdoor smoking bans incarcerating pregnant women for drinking alcohol and prohibiting restaurants from serving food to fat people have become acceptable responses to the risks that alcohol tobacco and obesity are perceived to pose Hailing from Canada Australia the United Kingdom and the USA and drawing on examples from all four countries contributors interrogate the ways in which alcohol tobacco and fat have come to be constructed as problems requiring intervention and expose the social cultural and political roots of the current public health obsession with lifestyle No prior collection has set out to provide an in depth examination of alcohol tobacco and obesity through the comparative approach taken in this volume This book therefore represents an invaluable and timely contribution to critical studies of public health health inequities health policy and the sociology of risk more broadly
