Wish you had a book that was quick to read that doubled your confidence Want to learn the 1 thing to build the bond between you and a player that takes less than 5 seconds Ever have difficult players or parent s of a player and wish you knew the steps how to handle them in a way that is a win win for both parties If any of these situations describe where you are at you are not alone Working with the directors of your club managing the expectations of your players parents and making an enjoyable experience for the players while also wanting to win is not an easy feat This book is NOT intended to be a complete guide on coaching because if you have ever coached you realize that everything to know could not be contained in one book This book s aim is to point out and provide help with the most important areas for you the coach to succeed Ideally you have an infinite amount of time to work with your players However we both know that you hardly get enough practices each year and the players attention spans can make the practices even more limited Therefore this book details the most important 20% of coaching points to help you get 80% of the results This book details various coaching styles ways to get the team to respect you even more and work hard for you This book does not cover the technical aspects of soccer like how to pass the ball shoot properly perform a foot skill Other books in the Understand Soccer Series have been created to cover those subjects Outcomes of applying this book Work with your

players parents instead of against them Know the advantages and disadvantages of the major formations Understand the 1 technique so your advice is followed and not just heard Why does learning these things matter Building your soccer knowledge grows your coaching confidence Coaching esteem is key to build the belief in yourself to know how to handle the difficult situations that can arise when coaching
