

SOCIAL CHANGE

Social change is defined by sociologists as alterations in the basic structures of society or a social group.

APPROACHES

Structural-functionalism

Social change should serve the best interests of society, with the goal of maintaining equilibrium and balance within the social system.

Conflict Theory

Social change happens suddenly when conflict boils over, upending the status flow.

EXAMPLE

The Industrial Revolution

The Industrial Revolution was a period of significant social and economic change marked by the widespread development of new technologies, transportation and communication systems, and the growth of factories and mass production. Urbanization, labor rights, and women's rights took center stage.

Social Change Social Work And The Adoption Of Children:

Social Change, Social Work and the Adoption of Children Alan Teague,1989 **Social Change, Social Work and the Adoption of Children** Alan Teague,1989 **Social change, social work, and the adoption of children** Alan John Teague,1987 **Social Work, Parents and the Child Protection Process** Katrin Bain,John Harris,2024-10-18 Despite the pivotal role played by parents in the child protection process little attention has been paid to how social workers perceive them Exploring representations of parents within Children s Services at the levels of policy organisation and frontline practice the concept of citizenship is used to construct a typology with ten variants of parent citizenship The typology reveals the complexities of parental representations and their relationship to the content of policy organisational environments and dominant societal themes as it uncovers how social workers represent parents in their day to day practice The book is a resource that can be used by students practitioners researchers and parent advocacy organisations to evaluate policy and practice and to contribute to the search for the best possible outcomes for families Arguing that parental participation in the child protection process is essential the book increases the visibility of parents and contributes to a much needed dialogue about working with parents in Children s Services **Adoptive Parenthood in Hong Kong** Grace Po-Chee Ko,2017-07-05 This title was first published in 2001 A systematic study of non relative adoption in Hong Kong It examines the changing profile of non relative adoption between 1987 and 1993 from the author s analysis of 486 case files Characteristics of the adoptive parents adopted children and their birth parents are presented in descriptive statistics Three predictors of adoption stresses are identified Adjustment in adoption and threat to parental entitlement were positively related to adoption stress parental education was negatively related to it Apart from being more stressful Chinese adopters were found to be significantly different from non Chinese for having a lower level of acknowledgement of difference They are more worrisome over the relationship with birth parents are less ready to reveal adoption have better adoptive parent child relationship and possess higher levels of personal qualities The findings of the study suggest that a post legal adoption service is urgently needed **Global Social Transformation and Social Action: The Role of Social Workers** Professor Sven Hessle,2014-03-28 This informative and incisively written edited collection brings together experts from around the world to discuss issues which the social work and social welfare sectors face every day and to ensure a closer link between evidence based practice policy objectives and social development goals Furthermore this book reveals how these may affect the conditions of people and demonstrate how the social work and social development community can contribute to sustainable development *Research Grants Index* National Institutes of Health (U.S.). Division of Research Grants,1965 **Research Relating to Children** ,1976 Gender and Child Protection Jonathan Bryn Scourfield,2018-06-26 It has been widely noted in the social work literature that the practice of child protection is highly gendered When it comes to child abuse women come under more scrutiny and men who are more likely to present a risk of harm to children are not engaged with This

important text takes stock of this controversial topic examining the state of policy and theory on the subject and exploring the organisational culture and the professional knowledge and values that influence contemporary social work in the field of child welfare. Skilfully combining theory with illustrative example it concludes by focusing on the lessons for practice. The ^AOxford Handbook of Children and the Law, 2020-02-07 The Oxford Handbook of Children and the Law presents cutting edge interdisciplinary scholarship on a broad range of topics covering the life course of humans from before birth to adulthood by leading scholars in each area.
