Taxi True Stories From Behind The Wheel:

Taxi! John Johnson,1978 BEHIND THE WHEEL: THE TRUTH ABOUT RIDE-SHARING Amjad Qadir,2024-12-10 What does it really take to be a taxi driver in today's cutthroat world In BEHIND THE WHEEL I take you inside the chaotic unpredictable world of a self employed taxi driver Where danger lurks around every corner adrenaline is a constant companion and every ride could change your life From dodging violent passengers to racing through dangerous streets in the dead of night my job is anything but ordinary But the real battle It's staying afloat in an industry where the rules keep changing and the competition is ruthless In a city where ride sharing apps have made every street a battleground I'm just one driver trying to make a living I'm forced to fight not just for survival but for my place in a world where my livelihood is at the mercy of the gig economy BEHIND THE WHEEL is the raw unfiltered story of my struggle to adapt overcome and keep going when the odds feel stacked against me This isn't just a taxi driver's memoir it's a high stakes no holds barred journey through a world most never see With every page you'll experience what it really means to hustle to survive and to keep your head above water when the road ahead feels uncertain Ready to hop in The ride of a lifetime starts now Unveiling Life behind the Wheel (London): Road Rape Allegation Incident Rose Ross,2008-05-13 In the vibrant night city life of cosmopolitan London or other big cities when partying is over it's time to think of how to get home There is no single form of transport which is safe the safety is relative to many factors Thankfully Paddy and Claire Wise have it all under control as their blue chip company had booked their transport through a local mini cab firm They sneak in their friend Monique so is their assumption still valid When considering an issue which lingers in the minds of most females or people who feel responsible over their female acquaintances or relatives the biggest fear is of rape and of course the possible consequences If this is the only issue in mind who do you entrust yourself or your loved one to On top of the list especially at night time would be a black cab or through a licensed minicab office If booked strictly in accordance to the law the second option would be the most desirable one and possibly the safest Following media coverage on this topic especially that recently involving the serial black cab rapist one is left with a number of unanswered questions Compliance with law is important Anything however short of self respect respect for others and the law would be self deception Looks are deceptive who has all these qualities Possibly it's safest to be sober when using transport outside that provided by known acquaintances remain alert through out the journey if uneasy end your journey when safe to do so pay pro rata or if necessary full amount and call somebody known to you to come and pick you up Always trust your instincts than live to regret Find out What happens to Monique I guarantee it's not what you think is a surprise The monsters that kiss you goodnight: Based on a true story Philip Seibel,2025-02-06 Tommy is your average boy Except for one little difference Tommy's parents like to sexually abuse him That's putting it mildly Every day it seems he is getting punished for something or other Childhood is no fun it's filled with hard labor screaming threats and violence He is in constant fear for his life Why The end of the world and the rise of the Antichrist

seems all too imminent School Please We ll all be dead by then sitting at the right hand of the throne of God If Tommy openly doubts the cult s beliefs the wrath of God is meted upon him swiftly without mercy It s no wonder Tommy s parents are members of the notorious Children of God A cult that openly embraces sex with children public floggings of children speech restriction denial of food water and basic human rights Guantanamo bay could learn a thing or two from these fuckers These crimes against humanity are committed in the name of love and the name of God At the age of thirteen Tommy has just about had enough one day He momentarily even succeeds to escape the cult commune Sadly reality kicks in very quickly and Tommy is forced to go back home His parents have had enough They confine him to a dark room for months He s not allowed to speak to his siblings or other children Even leaving the room to go toilet is out of the question One day his parents come for him and he is whisked away in the dead of night They also inform him that he has been officially excommunicated Finally after months of travelling to and from hotels relatives and other systemites Tommy s parents give up trying to rehabilitate him The grandparents reluctantly agree to pay to put him into a boarding school Until that moment Tommy s never watched TV heard pop music or even eaten a bar of chocolate He will not see his siblings again for many many years but that s for another story The other kids in the boarding school can t make sense of this new weird and broke kid who can t speak German He talks with an American accent yet claims to be a German citizen Unsurprisingly he is beaten up and bullied It seems like life in the cult might have been the better option after all Ostracized and desperate to fit in he turns to drug dealing to make ends meet In the months that follow he must very rapidly grow up become fearless and fight back against insurmountable odds Not even a year after his arrival he witnesses a girl he deeply cares for being raped He flings open his trusted butterfly knife and rushes to save her killing the assailant in the process There s just one problem The man he murdered was a very dangerous gang leader If anyone finds out who murdered him Tommy will no doubt face torture and execution There is no turning back no one he can run to now He needs to leave everything behind all over again At night the monsters of the past come to haunt Tommy in his dreams His memories of the past are all too painful to bear yet he finds it impossible to ignore them The solution is easy Alcohol marijuana and ecstasy They may dampen the pain temporarily but in the long run they are as effective as a Band Aid on a freshly severed limb It seems at times the only way out of this misery is death That s not like Tommy though That s too easy in his mind that s a coward s solution While on the run Tommy meets a girl who lives by herself She agrees to provide him with accommodation One night Angela opens up to him She tells Tommy of all the atrocities done to her by her very own father After a decade of abuse she finally mustered up the courage to speak out Her abuser was immediately arrested 5 years later her father has served his time There is no question in Angela s mind that he will seek revenge Lucky for Angela Tommy is far more dangerous than he looks He s not a scared little boy and more importantly this time he s got a gun

Richworth,2019-11-24 HOW DID I BECOME A PILOT FOR ONE OF THE WORLD S MOST INFAMOUS AIRLINES This book is

the first of a three part trilogy based on my experience as a bush pilot flying for Susi Air in Indonesia For 4 years I ve flown Cessna Grand Caravans in one of the most challenging environments for aviation in the world This book features the good stories the bad stories and the down right unbelievable stories I must confess I ve spent a very long time deciding whether or not to publish this book Here s the thing I m now a Boeing 737 Captain for a major European airline and unsurprisingly I value my career very much So publishing a book about these bush flying adventures and occasional mishaps isn t necessarily going to impress my current employers or future employers for that matter You could perhaps describe publishing this book as career suicide This somewhat undesirable situation of losing one s career might just explain why I m the first Susi Air pilot to publish a book like this Yes the sensible thing to do would be to keep my mouth shut Just stay under the radar and avoid any adverse consequences to the career that I have worked so hard to get But how could I keep the greatest adventure of my life to myself I needed to write this book This isn t just my story This is the story of every pilot who was f cking nuts enough to come fly for Susi Air Needless to say the real identities of both myself and my colleagues at Susi Air will remain anonymous in this book I have no doubt that some Susi Air pilots both past and present will know exactly who I really am However to any of those pilots reading this book I do ask that you keep my real identity private much in the same way that I have kept your real identities private in this book All of the stories in this book are real Only the names have been changed

The Story of a Lucky Duck Rip Harwood, 2023-06-15 This charming little story breaks the autobiography mold Technically it's the childhood account of a third culture American kid and his adventures and exploits growing up all over the world in the 1950s and 60s The book will transport you from Australia to Africa from Brazil to Israel from Europe to the Far East But it's not just a travelogue or a dry where I was born sleeper It's part adventure it's about surfing in Africa and sailing in Rio de Janeiro It's a Buddhist parable about the responsibilities of power and African lessons about the power of belief It's a childhood love story It's a new perspective on the evils of apartheid and the oppression that took its place and that still mars the beauty of a magnificent country It's a story of cultures and geopolitics It's the backstory about how a few courageous Norwegians defeated Nazi plans for a German atom bomb It's part the rant of a funny irreverent iconoclastic opinionated old curmudgeon perhaps occasionally thought provoking It's a window into the insights that wide travels and an open mind can bring It's also a story about family and the importance of real family values and of developing a sense of place in the world The book is interlaced with stories and anecdotes about the author's own forebears and pioneer ancestors and the roles they played in shaping the expansion and development of the American West It's a little known slice of Texas history and of the founding of places like Dallas and Fort Worth It's a story of lone star gypsies that will give you new perspectives on life and death how to live it to the fullest and maybe even how to avoid fearing the mysteries at the end of one's existence
