Inscoe, 2001-12-01 African Americans have had a profound impact on the economy culture and social landscape of southern Appalachia but only after a surge of study in the last two decades have their contributions been recognized by white culture Appalachians and Race brings together 18 essays on the black experience in the mountain South in the nineteenth century These essays provide a broad and diverse sampling of the best work on race relations in this region The contributors consider a variety of topics black migration into and out of the region educational and religious missions directed at African Americans the musical influences of interracial contacts the political activism of blacks during reconstruction and beyond the racial attitudes of white highlanders and much more Drawing from the particulars of southern mountain experiences this collection brings together important studies of the dynamics of race not only within the region but throughout the South and the nation over the course of the turbulent nineteenth century *Industrial Directory* Virginia. Dept. of Labor and Industry, 1929 **Polish Pioneers in Illinois 1818-1850** James D. Lodesky, 2010-02-24 This book attempts to discover the names of the first Polish settlers in Illinois when they came to Illinois and their stories when possible Some left complete stories about themselves while others only a very

small amount The time period starts in 1818 the year Illinois became a state and ends in 1850 I found much more information between 1818 and 1850 then I thought I would so I cut the book off at 1850 The Polish settlers are divided into five different categories 1 Polish Political Exiles from Russia 2 Polish emigrants from mainly German occupied Poland 3 Polish Jews 4 People of Polish descent those persons with a Polish ancestor 5 Emigrants from an undetermined county whose last names look Polish Monthly Catalog of United States Government Publications ,1983 *U.S. Census of Population, 1960* ,1963
