Tchaikovsky Symphony No 6 Pathétique:

Tchaikovsky: Symphony No. 6 (Pathétique) Timothy L. Jackson, 1999-10-07 Tchaikovsky's final symphony has fascinated generations of music lovers amateur and specialist alike since its first performance just over a century ago Timothy L Jackson explores sensitively and without prejudice the question of the Pathétique's program and its relation to Tchaikovsky's homosexuality and death The book covers the work's conception genesis and reception and presents an in depth analysis of its remarkable formal structure The reception chapter investigates the Pathétique's impact on Tchaikovsky's younger contemporaries most notably Mahler and Rachmaninov and on more recent Russian composers like Shostakovich and Schnittke Also explored is the dark side of the symphony's political interpretation in the twentieth century especially its transformation into a cultural icon of the Third Reich **Orchestral Masterworks. conductor Heinz Unger 1895-1965 was born in Berlin Germany and was reared from a young age to follow in his father's footsteps and become a lawyer. In 1915 he heard a Munich performance of Gustav Mahler's *Das Lied von der Erde* (The Song of the Earth) conducted by Bruno Walter and thereafter devoted the rest of his life to music and particularly to the dissemination of Gustav Mahler's music. This microhistorical engagement explores how the strands of German Jewish identity converge and were negotiated by a musician who spent the majority of his life trying to grasp who he was. Critical to this understanding was Gustav Mahler's music, a music that Unger endowed with exceptional meaning and that was central to his Jewish identity. This book sets this exploration of Unger's performative ritual within a biographical tale of a life lived travelling the world in search of a home from the musician's native Germany to the Soviet Union, England, Spain and finally Canada.

Aside from the vacated Orthodox Church in the former French Concession, where most Russian migrants resided, Shanghai today displays few signs of the bustling settlement of those years. Russian musicians established the first opera company in China, as well as choirs, bands and ensembles to play for their own and other communities. Russian musicians were the core of Shanghai's lauded Municipal Orchestra and taught at China's first conservatory. Two Russian migrant composers, in particular Alexander Tcherepnin and Aaron Avshalomov, experimented with incorporating Chinese elements into their compositions as harbingers of intercultural music that has become a well-recognized trend in composition since the late twentieth century. The Russian musical scene in Shanghai was the embodiment of musical cosmopolitanism.

anticipating the hybrid nature of twenty first century music arising from cultural contacts through migration globalization and technological advancement As a pioneering study of the Russian community *Networking the Russian Diaspora* examines its musical activities and influence in Shanghai While the focus of the book is on music it also gives insight into the social dynamics between Russians and other Europeans on the one hand and with the Chinese on the other The volume coauthored by Chinese music specialists makes a significant contribution to studies of diaspora cultural identity and migration by casting light on a little studied area of Sino Russian cultural relations and Russian influence in modern China The discoveries stretch the boundaries of music studies by addressing the relational aspects of Western music how it has articulated national and cultural identities but also served to connect people of different origins and cultural backgrounds *The Healing Energies of Music* Hal A. Lingerian, 1995-05-25 Certain types of music can enhance intellectual and spiritual powers and help overcome insomnia boredom anger and stress Music therapist and teacher Hal Lingerian presents a wealth of resources for choosing just the right music for physical emotional and spiritual growth and healing This updated edition offers comprehensive listings of current recordings including new and remastered CDs with selections from the classics contemporary and ethnic compositions and music composed by and for women It includes expanded chapters on Women s Music World Music the Music of Nature and Angelic Music
