Writing Islands Elena Lahr-Vivaz, 2022-10-25 Analyzing works of contemporary Cuban writers on the island alongside those in exile Elena Lahr Vivaz offers a new lens to explore the multiplicity of Cuban space and identity arguing that these writers approach their nation as part of a larger transnational network of islands

Ancestral Voices, Healing Narratives Kristina S. Gibby, 2023-12-06 *Ancestral Voices Healing Narratives* Female Ghosts in Contemporary US and Caribbean Fiction examines four novels by Erna Brodber Zo Vald s Sandra Cisneros and Maryse Condé In this unique comparative analysis Kristina S Gibby explores the significance of female ghosts specifically maternal figures who haunt female narrators inspiring them to transcribe the dead s obfuscated histories and recover their family memory The author argues that these female ghosts subvert historiographic power structures through a matrilineal succession of knowledge via oral traditions of storytelling inevitably broadening historical consciousness and asserting the value of fiction in the face of historical rupture Gibby contends that in form and content these novels disrupt patriarchal and Western expectations of time and epistemology They favor cyclical temporality highlighted by the spirits uncanny return which underscores relational understanding and challenges the exclusive and limiting constraints of linear time This book makes important contributions to inter American literary criticism with its narrow focus on female authors who confront the horrors of history through maternal spirits

The Cambridge Companion to the Latin American Novel Efraín Kristal, 2005-05-26 The diverse countries of Latin America have produced a lively and ever evolving tradition of novels many of which are read in translation all over the world This

Companion offers a broad overview of the novel's history and analyses in depth several representative works by for example Gabriel García Márquez Machado de Assis Isabel Allende and Mario Vargas Llosa The essays collected here offer several entryways into the understanding and appreciation of the Latin American novel in Spanish speaking America and Brazil The volume conveys a real sense of the heterogeneity of Latin American literature highlighting regions whose cultural and geopolitical particularities are often overlooked Indispensable to students of Latin American or Hispanic studies and those interested in comparative literature and the development of the novel as genre the Companion features a comprehensive bibliography and chronology and concludes with an essay about the success of Latin American novels in translation

Cuban Currency Esther Kathryn Whitfield, 2008-01-01 With the collapse of the Soviet Union in the 1990s during an economic crisis termed its special period in times of peace Cuba began to court the capitalist world for the first time since its 1959 revolution With the U S dollar instated as domestic currency the island seemed suddenly accessible to foreign consumers and their interest in its culture boomed Cuban Currency is the first book to address the effects on Cuban literature of the country's spectacular opening to foreign markets that marked the end of the twentieth century Based on interviews and archival research in Havana Esther Whitfield argues that writers have both challenged and profited from new transnational markets for their work with far reaching literary and ideological implications Whitfield examines money and cross cultural economic relations as they are inscribed in Cuban fiction Exploring the work of Zo Valds Pedro Juan Gutierrez Antonio Jos Ponte and others she draws out writers engagements with the troublesome commodification of Cuban identity Confronting the tourist and publishing industries roles in the transformation of the Cuban revolution into commercial capital Whitfield identifies a body of fiction peculiarly attuned to the material and political challenges of the special period Esther Whitfield is assistant professor of comparative literature at Brown University

Gender and the Self in Latin American Literature Emma Staniland, 2015-10-05 This book explores six texts from across Spanish America in which the coming of age story Bildungsroman offers a critique of gendered selfhood as experienced in the region's socio cultural contexts Looking at a range of novels from the late twentieth century Staniland explores thematic concerns in terms of their role in elucidating a literary journey towards agency that is towards the articulation of a socially and personally viable female gendered identity mindful of both the hegemonic discourses that constrain it and the possibility of their deconstruction and reconfiguration Myth exile and the female body are the three central themes for understanding the personal social and political aims of the Post Boom women writers whose work is explored in this volume Isabel Allende Laura Esquivel ngeles Mastretta Sylvia Molloy Cristina Peri Rossi and Zo Vald's Their adoption and adaptation of an originally eighteenth century and European literary genre is seen here to reshape the global canon as much as it works to reshape our understanding of gendered identities as socially constructed culturally contingent and open ended

studies **To Die in Cuba** Louis A. Pérez Jr.,2012-12-01 For much of the nineteenth century and all of the twentieth the per capita rate of suicide in Cuba was the highest in Latin America and among the highest in the world a condition made all the more extraordinary in light of Cuba's historic ties to the Catholic church In this richly illustrated social and cultural history of suicide in Cuba Louis A Perez Jr explores the way suicide passed from the unthinkable to the unremarkable in Cuban society In a study that spans the experiences of enslaved Africans and indentured Chinese in the colony nationalists of the twentieth century republic and emigrants from Cuba to Florida following the 1959 revolution Perez finds that the act of suicide was loaded with meanings that changed over time Analyzing the social context of suicide he argues that in addition to confirming despair suicide sometimes served as a way to consecrate patriotism affirm personal agency or protest injustice The act was often seen by suicidal persons and their contemporaries as an entirely reasonable response to circumstances of affliction whether economic political or social Bringing an important historical perspective to the study of suicide Perez offers a valuable new understanding of the strategies with which vast numbers of people made their way through life if only to choose to end it To Die in Cuba ultimately tells as much about Cubans lives culture and society as it does about their self inflicted deaths **The Columbia Guide to the Latin American Novel Since 1945** Raymond L. Williams,2007 In this expertly crafted richly detailed guide Raymond Leslie Williams explores the cultural political and historical events that have shaped the Latin American and Caribbean novel since the end of World War II In addition to works originally composed in English Williams covers novels written in Spanish Portuguese French Dutch and Haitian Creole and traces the profound influence of modernization revolution and democratization on the writing of this era Beginning in 1945 Williams introduces major trends by region including the Caribbean and U S Latino novel the Mexican and Central American novel the Andean novel the Southern Cone novel and the novel of Brazil He discusses the rise of the modernist novel in the 1940s led by Jorge Luis Borges's reaffirmation of the right of invention and covers the advent of the postmodern generation of the 1990s in Brazil the Generation of the Crack in Mexico and the McOndo generation in other parts of Latin America An alphabetical guide offers biographies of authors coverage of major topics and brief introductions to individual novels It also addresses such areas as women's writing Afro Latin American writing and magic realism The guide's final section includes an annotated bibliography of introductory studies on the Latin American and Caribbean novel national literary traditions and the work of individual authors From early attempts to synthesize postcolonial concerns with modernist aesthetics to the current focus on urban violence and globalization The Columbia Guide to the Latin American Novel Since 1945 presents a comprehensive accessible portrait of a thoroughly diverse and complex branch of world literature *World Literature in Spanish* Maureen Ihrie,Salvador Oropesa,2011-10-20 Containing roughly 850 entries about Spanish language literature throughout the world this expansive work provides coverage of the varied countries ethnicities time periods literary movements and genres of these writings Providing a thorough introduction to Spanish language literature worldwide and across time is a tall order

However World Literature in Spanish An Encyclopedia contains roughly 850 entries on both major and minor authors themes genres and topics of Spanish literature from the Middle Ages to the present day affording an amazingly comprehensive reference collection in a single work This encyclopedia describes the growing diversity within national borders the increasing interdependence among nations and the myriad impacts of Spanish literature across the globe All countries that produce literature in Spanish in Europe Africa the Americas and Asia are represented covering both canonical authors and emerging contemporary writers and trends Underrepresented writings such as texts by women writers queer and Afro Hispanic texts children s literature and works on relevant but less studied topics such as sports and nationalism also appear While writings throughout the centuries are covered those of the 20th and 21st centuries receive special consideration
