*Cafes and Bars* Christoph Grafe, Franziska Bollerey, 2007-09-12 The design of bars and cafes has played an important role in the development of architecture in the twentieth century This influence has been felt particularly strongly over the past thirty years in a time when these social spaces have contributed significantly to the rediscovery and reinvention of cities across Europe and North America This volume presents and examines this significant urban architectural production and discusses it against a background of the design of cafes and bars across the nineteenth and twentieth centuries Major themes and developments are discussed and illustrated with case studies from the functionalist pre World War Two architects in Central Europe representing modern society through the design of public spaces right up to the design of sophisticated bars and cafes as part of the recent urban renaissance of Barcelona and Paris in 1980s and London in the 90s **Liquid**

**Pleasures** Professor John Burnett, John Burnett, 2012-10-02 Drinking has always meant much more than satisfying the thirst Drinking can be a necessity a comfort an indulgence or a social activity *Liquid Pleasures* is an engrossing study of the social history of drinks in Britain from the late seventeenth century to the present From the first cup of tea at breakfast to mid morning coffee to an evening beer and a night cap John Burnett discusses individual drinks and drinking patterns which have varied not least with personal taste but also with age gender region and class He shows how different ages have viewed the same drink as either demon poison or medicine John Burnett traces the history of what has been drunk in Britain from the hot beverage revolution of the late seventeenth century connecting drinks and related substances such as sugar to empire right up to the cold drinks revolution of the late twentieth century examining the factors which have determined these major changes in our dietary habits Taking Tea with Mackintosh Perilla Kinchin, 1998 In 1896 Kate Cranston the

pioneer of Glasgow tea rooms in the late nineteenth century commissioned Charles Rennie Mackintosh who would become one of the Western world s most renowned designers to design her tea rooms and over the next two decades he did so with dazzling inventiveness Mackintosh s wife Margaret herself an artist also made important contributions to the interior designs A pair of perfectionists Cranston and Mackintosh opened up a unique avant garde artistic world to thousands of ordinary people Their tea rooms became internationally famous *Taking Tea with Mackintosh* illustrates this exciting collaboration with black and white historical photographs of the tea rooms and color photographs of their surviving components In addition sixteen recipes for traditional tea room cakes breads and pastries are supplied offering the best chance the reader will have to revisit these extraordinary places **Glasgow** Irene Maver, 2019-08-06 No detailed description available for Glasgow

**The Studios of Frances and Margaret Macdonald** Janice Helland, 1996 Tea Paul Chrystal, 2014-10-15 The tale of Britain s greatest love affair begins with the arrival of tea here in the seventeenth century Since then it has shaped our lives our history our work and our culture So put the kettle on and read the amazing story of tea **A Thirst for Empire** Erika Rappaport, 2019-03-05 Tea has been one of the most popular commodities in the world Over centuries profits from its growth

and sales funded wars and fueled colonization and its cultivation brought about massive changes in land use labor systems market practices and social hierarchies the effects of which are with us even today A Thirst for Empire takes a vast and in depth historical look at how men and women through the tea industry in Europe Asia North America and Africa transformed global tastes and habits and in the process created our modern consumer society As Erika Rappaport shows between the seventeenth and twentieth centuries the boundaries of the tea industry and the British Empire overlapped but were never identical and she highlights the economic political and cultural forces that enabled the British Empire to dominate but never entirely control the worldwide production trade and consumption of tea Rappaport delves into how Europeans adopted appropriated and altered Chinese tea culture to build a widespread demand for tea in Britain and other global markets and a plantation based economy in South Asia and Africa Tea was among the earliest colonial industries in which merchants planters promoters and retailers used imperial resources to pay for global advertising and political lobbying The commercial model that tea inspired still exists and is vital for understanding how politics and publicity influence the international economy Jacket

Suffrage and the Arts Miranda Garrett,Zoë Thomas,2018-09-20 Suffrage and the Arts re establishes the central role that artistic women and men from jewellers portrait painters embroiderers through to retailers of artistic products played in the suffrage campaign in the British Isles As political individuals they were foot soldiers who helped sustain the momentum of the movement and as designers makers and sellers they spread the message of the campaign to new local national and international audiences mediating how suffrage activism was understood by society at large Published to coincide with the centenary of the 1918 Representation of the People Act which granted the vote to women over the age of thirty meeting a property qualification this edited collection offers a range of new perspectives and readings of the outpouring of creative responses to the campaign Contributors who include historians art historians curators museum professionals and suffrage experts call upon the historiographical developments of the last thirty years alongside new archival discoveries to showcase the vibrancy of ongoing research in this area Throughout chapters investigate the wider socio cultural backdrop to suffrage and the women s movement the difficult choices that were made between professional artistic aspirations and political commitment and how institutional and informal networks influenced creative expression and participation in feminist politics From shining light on the use of portraiture to bolster the cultural cachet of the militant Women s Social and Political Union uncovering the links between Victorian interior design enterprise and suffrage through to questioning the supposed conservatism of women s art institutions during the campaign and in the inter war era Suffrage and the Arts is a timely and important collection which will contribute to a number of scholarly fields
