Teaching Environmental Literacy Heather L. Reynolds,2010 Integrating environmental education throughout the curriculum

Energizing Teacher Education and Professional Development with Problem-Based Learning Barbara Levin,2001-04-15 How can we help both beginning and experienced teachers engage students in today s diverse classrooms How can we focus on actual problems that teachers face This book offers a learning tool problem based learning PBL PBL is an instructional method that encourages learners to use critical thinking and problem solving as they apply content knowledge to real world problems and issues Editor Barbara

Levin and the book's contributing authors believe that if teachers are to use PBL effectively with their K-12 students they need to personally experience PBL themselves. Levin provides field-tested examples of how teacher educators have used PBL in many professional development settings. Based on actual PBL units and activities contributed by various authors, the book describes how teachers tackled authentic problems that required them to find, evaluate, and use resources to learn just as they expect their students to do when using PBL. A brief introduction explains why and how to use PBL with teachers. Chapters 1-5 focus on how the chapter authors used PBL in different teacher preparation courses at several universities. Chapters 6 and 7 show how the authors working with experienced teachers used PBL in inservice and staff development settings. The final chapter offers answers to frequently asked questions about using PBL with teachers. Teach Yourself Effectively Feng Shui Bhavani Vasudevan, 2004

Teach Yourself VISUALLY Adobe Muse Rob Huddleston, 2012-04-25 A visual learner's guide to creating beautiful functional websites without writing a line of code. Adobe Muse allows graphic and visual designers to leverage the skills they already have in graphic design programs such as Adobe InDesign to create engaging visually stunning websites without needing to write code. Veteran web designers as well as those new to website creation will learn to outline what a site needs and who it serves as well as all about generating a look and feel, implementing the design as a working page, testing functionality, taking the site live, and keeping it going. Adobe Muse empowers graphic designers to create spectacular functional websites without coding, and this visual guide makes it fast and easy to learn. Muse Covers planning the site, designing the page layout, converting the layout to a website, adding multimedia content, and publishing a site. Presented in the highly acclaimed Visual step-by-step format that breaks big topics into bite-sized modules and shows exactly what to expect at every step. A companion website provides materials for experimentation to help you plan and develop your site. Adobe Muse provides graphic and visual designers with the flexibility they have longed for as they design websites. This full-color book helps visual learners master Adobe Muse quickly and easily.
