Essential German Grammar: Teach Yourself Jenny Russ, 2011-11-25 Is this the right book for me? Want to get more out of your study of German? Essential German Grammar is an up-to-date introduction to German grammar. You don't need to know a lot about grammar before you start. Everything is explained simply and there are lots of examples to illustrate each point. Unlike more traditional grammars, Essential German Grammar is structured so that you can look up language forms according to what you want to say, even if you don't know the grammatical term for them. If you already know some grammar, then you can use the reference grammar section at the back of the book to look up the points you need. The course consists of 21 units illustrating the various uses to which the language can be put, for example giving instructions or talking about the recent past. The more traditional reference grammar deals with grammatical structures such as the imperative or the perfect tense. All grammatical terms are explained in the glossary at the back of the book. Each unit contains exercises for you to practise what you have learnt and there is a key at the back of the book for you to check your answers. The new page design in this edition means that the book is even easier to use and the

main headings are in English so that you can find your way around the book quickly This edition contains a taking it further section which will direct you to further sources of real German Essential German Grammar will help you to understand and manipulate German grammar with confidence because you need no prior knowledge of grammatical terminology to use it the approach is accessible and supportive the examples are clear and in context exercises help you practise every point Now in a brand new edition with new easy to follow page design and interactive online features Learn effortlessly with a new easy to read page design and interactive features Not got much time One five and ten minute introductions to key principles to get you started Author insights Lots of instant help with common problems and quick tips for success based on the author s many years of experience Test yourself Tests in the book and online to keep track of your progress Extend your knowledge Extra online articles to give you a richer understanding of the subject Five things to remember Quick refreshers to help you remember the key facts Try this Innovative exercises illustrate what you ve learnt and how to use it *Understand the Second World War: Teach Yourself* Alan Farmer,2010-08-27 *Understand the Second World War* will show you how one of the most important events in history developed charting the main military campaigns and examining the path to Allied victory and its impact on the countries involved Full of anecdotes and details which provide a personal appeal it serves as an accessible introduction to one of the most important tragic and costly events in history NOT GOT MUCH TIME One five and ten minute introductions to key principles to get you started AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success based on the author s many years of experience EXTEND YOUR KNOWLEDGE Extra online articles at www.teachyourself.com to give you a richer understanding THINGS TO REMEMBER Quick refreshers to help you remember the key facts **Further Language Learning in Linguistic and Cultural Diverse Contexts** Barbara Gross,2019-04-02 *Further Language Learning in Linguistic and Cultural Diverse Contexts* deals with the interdisciplinary area of multilingual and intercultural education and the increasing interest in sociolinguistic and sociocultural aspects of further language learning It presents the individual family scholastic and extra scholastic circumstances that promote or limit language learning and its outcomes among young learners of a further language The intertwined dynamic interrelationship between intercultural and language learning at primary school is shown by means of the European border region South Tyrol that is characteristic for its linguistic and cultural diversity and serves to demonstrate authentic benefits challenges and difficulties in hyper complex and super diverse contexts The book analyzes experiences and perceptions as reported by primary school teachers children and parents considering the impact of many factors on further language learning including school organization extra curricular activities and self initiated encounter pedagogy *Further Language Learning in Linguistic and Cultural Diverse Contexts* will be vital reading for academics researchers and post graduate students in the fields of education language learning sociolinguistics interculturalism and super diversity **German Grammar You Really Need To Know: Teach Yourself** Jenny Russ,2012-10-12 Comprehensive and clear explanations of key grammar patterns and
