Writing as a Way of Staying Human in a Time that Isn't Nate Mickelson,2019-01-30 The human element of our work has never been more important As Robert Yagelski explains in *Writing as a Way of Being* 2011 the ideological and social pressures of our institutions put us under increasing pressure to sacrifice our humanity in the interest of efficiency These problems only grow when we artificially separate self world and mind body in our teaching and everyday experiences Following Yagelski and others *Writing as a Way of Staying Human in a Time that Isn't* proposes that intentional acts of writing can awaken us to our interconnectedness and to ways in which we as individuals and in writing communities might address the social and environmental challenges of our present and future world Featuring essays drawn from a range of contexts including college composition and developmental reading and writing professional and legal writing middle school English dissertation projects academic conferences and an online writing group the collection outlines three ways writing can help us stay human caring for ourselves and others honoring the times and spaces of writing and promoting justice Each essay describes specific

strategies for using writing as a means for staying human in inhuman times The authors integrate personal stories descriptions of classroom assignments and activities and current research in writing studies Their work shows that writing can contribute to personal social and political transformation by nurturing vulnerability compassion and empathy among students and instructors alike
