*Get a Teaching Job NOW* Mary C. Clement, 2013-03-11 There ARE jobs for teachers and this step by step guide will help college students and career changers find those jobs and get them. Whether you seek a job as a substitute teacher or full time pre school, elementary, middle or high school teacher the strategies needed to win a job are here. The job market has changed and teachers no longer get jobs just by just student teaching in a school. Today's candidates need to use online search engines to find openings and then produce a cover letter, resume and portfolio that showcases their training. Interviewing is much more than answering the question "Tell me about yourself". Teacher candidates must master the art of the behavior based interview to sell their experience and expertise to employers. When a candidate's Facebook page can make or break hiring, everything a potential new teacher does is important.

**10 Steps for Hiring Effective Teachers** Mary C. Clement, 2015-01-08 The quick read step by step guide to hiring outstanding teachers. Whether you are new to hiring or searching for a fresh approach, this invaluable guide helps you select the best possible candidates. Mary Clement, a nationally awarded expert on teacher hiring, presents proven strategies for identifying high performing teachers. Readers will learn Ten best practices that address every stage of the hiring process. Techniques and sample questions for Behavior Based Interviewing. Interview questions to avoid. How to involve teacher peers in interviewing and mentoring new hires. Identify and hire high performing teachers and see your students academic potential flourish. Mary has intimate knowledge of the realities of the hiring process in schools and her suggestions for improvement are rooted in these facts. The need for the book is long overdue. Tim Neubert, Board President, Illinois Association for Employment in Education Human Resources Administrator, Veteran School District. Starting with the opening pages, Mary Clement provides the reader with succinct research based targeted information on good hiring policy and practice. Her emphasis on behavior based interviewing and involvement of other school stakeholders is well taken. Lloyd Goldsmith, Professor and Program Director, Department of Graduate Studies in Education, Abilene Christian University. They say hiring a teacher is a multi million dollar decision. When a multi million dollar decision is being made, you want the best process for obtaining the best teachers that you can. *10 Steps for Hiring Effective Teachers* will put you on that path.
