GRADE 3
UNIT TEST, FORM A
ON THE JOB

DIRECTIONS

You are going to read two selections and answer some questions about reading, study skills, and grammar, usage, and mechanics. You will also write a short piece. In each part of the test, follow the directions carefully.

Each selection has a space for notes. If you wish, use this space to write notes about important information that you find as you read. You may want to take a quick look at the questions you must answer before you read the selection. Then take notes that help you to find the answers to the questions.

Remember, you can look back and reread any part of a selection before you answer a question.
