Testament Of My Childhood:

Can I Teach My Child Religion? George Stewart,1929 **The Sunday-school World** ,1885 **To My Child, Hannah** Masako Watanabe, *The Transformational Role of Discipleship in Mark 10:13-16* Katherine Joy Kihlstrom Timpfe,2021-10-07 Katherine Joy Kihlstrom Timpfe addresses a gap in scholarship by answering the question how is a child supposed to be the model recipient of the kingdom of God While most scholarship on Mark 10 13 16 agrees that children are metaphorically employed because of their qualities of dependence Timpfe argues that it is more specifically an image of the disciple s radical transformation which both mirrors and reverses the traditional rites of passage by which a child became an adult Timpfe suggests that Jesus by insisting that one must enter the Kingdom of God as a child invokes two interlacing images First to enter the Kingdom of God one must be fundamentally transformed and changed Second this transformation reverses the rite by which a child would have become an adult removing the adult s superior status Beginning with a summary of the scholarship surrounding children in the Bible Timpfe explores the perception of children in the ancient world their rites of passage and entrance into adulthood and contrasting this with the processing of entering the kingdom of God while also highlighting childish characters in Mark Timpfe concludes that to enter into the kingdom as a child means that one must strip off those things one gained by leaving childhood behind wealth respect family much like Jesus who throughout Mark s Gospel moves from powerful to powerless respected to despised and accepted by all to rejected even seemingly by God Jesus models transformation to childhood in an emphasis on what the Kingdom of God is like **Society and Its Children, with Special Reference to the Problem of Child Labor** William Mackintire Salter,1903 **Words of Comfort for Parents Bereaved of Little Children.
