**Criticism** Roger D. Sell, 2001 In the twentieth century literature was under threat Not only was there the challenge of new forms of oral and visual culture Even literary education and literary criticism could sometimes actually distance novels poems and plays from their potential audience This is the trend which Roger D Sell now seeks to reverse Arguing that literature can still be a significant and democratic channel of human interactivity he sees the most helpful role of teachers and critics as one of mediation Through their own example they can encourage readers to empathize with otherness to recognize the historical achievement of significant acts of writing and to respond to literary authors own faith in communication itself By way of illustration he offers major re assessments of five canonical figures Vaughan Fielding Dickens T S Eliot and Frost and of two fascinating twentieth century writers who were somewhat misunderstood the novelist William Gerhardie and the poet Andrew Young

**Picturing the Closet** Dominic Janes, 2015 Picturing the Closet takes a pioneering approach to visual culture and by so doing builds on Eve Kosofsky Sedgwick's Epistemology of the Closet in order to present a compelling new approach to the British experience of queer culture since the eighteenth century Typical Men Andrew Spicer, 2001-04-12 Typical Men is the first book length study of masculinity in British cinema and offers a broad and lively overview from the Second World War to the present day Spicer argues that masculinity in popular fiction can best be understood as a range of dynamic and competing cultural types which rise and fall in relation to shifting patterns of film production audience taste and social change Specific chapters are devoted to each of the major types debonair gentlemen civilian professionals action adventurers the Everyman Fools and Rogues criminals rebels and damaged men which trace their changing histories through innovative readings of key films together with a fresh look at the performances of particular stars including James Mason Kenneth More Michael Caine and Sean Connery A final chapter explores the complex and hybrid types that have evolved within a volatile and unstable contemporary British cinema now part of an array of interrelated media images of masculinity Typical Men will be of keen interest to those concerned with the cultural history of gender and its detailed and carefully contextualised interpretations of films afford a reappraisal of British cinema history especially the neglected and despised 1950s Andrew Spicer's Typical Men is a major intervention in debates about masculinity in the cinema It takes a lot of intellectual risks and locates cinematic stereotypes of masculinity in a cinematic and cultural context It is trenchant and original and redefines the field of gender representation Sue Harper Professor of Film History University of Portsmouth The strength of this elegantly and wittily written book is that in the precision of its detail about individual performances actors and films it never loses sight of its argumentative threads Brian McFarlane Screening the Past Prostitution, Women and Misuse of the Law Helen J. Self, 2004-08-02 This is an examination from a feminist historian's standpoint of the background to the present system of regulating prostitution in Britain which is generally admitted to be not only unjust and discriminatory but ineffective even in achieving its stated aims Concentrating on the 1950s and especially on the Wolfenden Report and the

1959 Street Offences Act it is a thorough exposure of the sexual double standard and general misogynist assumptions underlying legislation relating to prostitution In addition to the detailed analysis of the 1950s legislation and the background to it there is an exposition of the subsequent workings of the Act and of attempts to amend or repeal it Self Impression Max Saunders,2010-04-22 Ford Madox Ford A Dual Life Volume II The After War World Max Saunders **Lost Voices of Modernity** Denise Gimpel,2001-08-31 Lost Voices of Modernity uncovers the story of the most popular and perhaps the most maligned modern Chinese literary journal Xiaoshuo yuebao The Short Story Magazine First published in Shanghai in 1910 Xiaoshuo yuebao boasted a circulation of ten thousand within its first three years of publication Scholars have long characterized the journal as little more than superficial popular entertainment primarily action adventure and love stories and attributed its early popularity to an urban audience s need for distraction and escape Now however Denise Gimpel s persuasive and effective study reveals a journal of serious appearance and intent By placing publication contributions and contributors within their specific cultural social and political contexts Gimpel provides an astonishingly cogent picture of a reform through fiction project created and managed by a dedicated body of writers attempting to address the concerns of the day Xiaoshuo yuebao informed the growing reading public of national and international issues science and foreign lands Read in context the stories essays plays and poems published in its pages largely in the form of the new fiction that had been hailed as the sociopolitical cure all of the early twentieth century constitute a panorama of the reforms being discussed at the time at all levels of public and private life Research Handbook on International Drug Policy David R. Bewley-Taylor,Khalid Tinasti,2020-09-25 Analysing arguably one of the most controversial areas in public policy this pioneering Research Handbook brings together contributions from expert researchers to provide a global overview of the shifting dynamics of drug policy Emphasising connections between the domestic and the international contributors illustrate the intersections between drug policy human rights obligations and the 2030 Sustainable Development Agenda offering an insightful analysis of the regional dynamics of drug control and the contemporary and emerging problems it is facing **The Official History of Criminal Justice in England and Wales** Paul Rock,2019-04-23 Volume I of The Official History of Criminal Justice in England and Wales frames what was known about crime and criminal justice in the 1960s before describing the liberalising legislation of the decade Commissioned by the Cabinet Office and using interviews British Government records and papers housed in private and institutional collections this is the first of a collaboratively written series of official histories that analyse the evolution of criminal justice between 1959 and 1997 It opens with an account of the inception of the series before describing what was known about crime and criminal justice at the time It then outlines the genesis of three key criminal justice Acts that not only redefined the relations between the State and citizen but also shaped what some believed to be the spirit of the age the abolition of capital punishment and the reform of the laws on abortion and homosexuality The Acts were taken to be so contentious morally and politically that Governments of different stripes were

hesitant about promoting them formally The onus was instead passed to backbenchers who were supported by interlocking groups of reformers with a pooled knowledge about how to effectively organise a rhetoric that drew on the language of utilitarianism and the clarity and authority of a Church of England This came to play an increasingly consequential and largely unacknowledged part in resolving what were often confusing moral questions This book will be of much interest to students of criminology and British history politics and law

**Jeeves and the Wedding Bells** Sebastian Faulks, 2013-11-05 Faulksie nails it again in this pastiche novel featuring Jeeves and Bertie evoking rather than imitating Wodehouse but doing so in perfect pitch Booklist starred review P G Wodehouse documented the lives of the inimitable Jeeves and Wooster for nearly sixty years from their first appearance in the 1915 short story Extricating Young Gus to Wodehouse's final novel Aunts Aren't Gentlemen in 1974 These fictional single men were two of the greatest creations of a novelist widely proclaimed to be the finest comic English writer by critics and fans alike With the approval of the Wodehouse estate acclaimed novelist Sebastian Faulks brings these two back to life for their legion of fans Bertie nursing a bit of heartbreak over the recent engagement of one Georgina Meadows agrees to help his old friend Peregrine Woody Beeching whose own romance is foundering which means an outing to the English countryside Almost immediately things go awry and the simple plan quickly becomes complicated In a role reversal Jeeves ends up impersonating one Lord Etringham while Bertie pretends to be Jeeves manservant and this all happens under the same roof as the now affianced Ms Meadows From there the plot becomes even more hilarious in a brilliantly conceived seamlessly written comic work worthy of the master himself This Faulks certainly knows his stuff when it comes to homaging let me tell you Dashed if most of the time I didn't think I was reading the echt thing Christopher Buckley New York Times Book Review Entirely delightful if like me you are a Wodehouse addict you will undoubtedly want to buy three copies for your friends Christmas stocking A N Wilson Financial Times

**White Drug Cultures and Regulation in London, 1916-1960** Christopher Hallam, 2018-08-09 This book traces the history of the London white drugs opiate and cocaine subculture from the First World War to the end of the classic British System of drug prescribing in the 1960s It also examines the regulatory forces that tried to suppress non medical drug use in both their medical and juridical forms Drugs subcultures were previously thought to have begun as part

of the post war youth culture but in fact they existed from at least the 1930s In this book two networks of drug users are explored one emerging from the disaffected youth of the aristocracy the other from the night time economy of London s West End Their drug use was caught up in a kind of dance whose steps represented cultural conflicts over identity and the modernism and Victorianism that coexisted in interwar Britain [A Broken World](#) Sebastian Faulks, Hope Wolf, 2015-11-05 A lieutenant writes of digging through bodies that have the consistency of Camembert cheese a mother sends flower seeds to her son at the Front hoping that one day someone may see them grow a nurse tends a man back to health knowing he will be court martialled and shot as soon as he is fit Edited by the bestselling author of Birdsong and Dr Hope Wolf this is an original and illuminating non fiction anthology of writing on the First World War Diaries letters and memories testaments from ordinary people whose lives were transformed are set alongside extracts from names that have become synonymous with the war such as Siegfried Sassoon and T E Lawrence A Broken World is an original collection of personal and defining moments that offer an unprecedented insight into the Great War as it was experienced and as it was remembered **The Journals of Mary Butts** Mary Butts, 2008-10-01

AIDS crisis The story of Long Crichel is also part of the development of the National Trust and other conservation movements Through the lens of Long Crichel archivist and writer Simon Fenwick tells a wider story of the great upheaval that took place in the second half of the twentieth century Intimate and revealing he brings to life Long Crichel s golden gossip years and in doing so unveils a missing link in English literary and cultural history
