The Wars of America Ronald Wells, 1981 What is the appropriate Christian attitude toward war According to Ron Wells there are three possible answers to this question that of the pacifist who condemns war itself as un Christian that of the crusader who views any war fought by a Christian as a war fought in defense of Christianity and that of the just war theorist who evaluates each war on the merits of its case **Kaapse bibliotekaris**, 1974 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 also published separately **El-Hi Textbooks in Print**, 1982 **Freedom's Ferment; Phases of American Social History to 1860** Alice Felt Tyler, 1944-01-01 Freedom s Ferment was first published in 1944 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions In this historical synthesis of men and movements Alice Felt Tyler shows in action the democratic faith of the young American republic She tells the stories of the reform movements and social and religious experiments characteristic of the early half of the nineteenth century The early efforts toward social and economic equality later engulfed in the urgent issues of the Civil War are here depicted and interpreted in their relation to the history of American thought and action Freedom s Ferment divides the movements of the early 1800 s into two groups the cults and utopias of varied origins and the humanitarian crusades A wave of revivalistic religions swept the country Here is the story of the Millerites who believed the end of the world would come on October 22 1844 of the Spiritualists Rappites the Mormons the Shakers Many experiments in communal living were instituted by religious groups but others were entirely social in concept Life at Brook Farm in Robert Owen s colony in the Oneida Community and a score of others is interestingly reconstructed Humanitarian reforms and crusades represent the other phase of the movements Tyler exasperated by all the silly twaddle being written about the eccentricities of the early American republic shows these movements and the leaders event the crackpots as manifestations of the American creed of perfectibility Prison and educational reforms work for

delinquents and unfortunates crusades for world peace temperance and women s rights flourished All to be overshadowed by the antislavery movement and submerged temporarily by the Civil War Freedom s Ferment pictures the days when the pattern for the American way of life and the fundamentals of the American faith were being set by crusaders who fought for righteousness The changes in our social picture have altered the form of the humanitarian movements but not the purpose Interpretative and critical the book shows the ferment of the period and the urge to reform found in every phase of life to be the result of the fusion of religious freedom and political democracy Freedoms Ferment Peter Moore,Tyler,1999-01-01 At the end of his weekly news in review program Moore on Sunday beloved WCCO TV news anchor Dave Moore often signed off by reciting a poem These poems composed by Moore s son Peter and collected here for the first time offer a fresh and funny take on the common and not so common stuff of our everyday lives Reminiscent of Ogden Nash and Tom Lehrer with a dash of Dr Seuss Peter Moore s verse captures the essence of his father s wit common sense honesty and warmth *The Cumulative Book Index* ,1969 A world list of books in the English language Lives of Lord Lyndhurst and Lord Brougham, Lord Chancellors and Keepers of the Great Seal of England [ed. by Mary Scarlett Campbell]. 1869 John Campbell Baron Campbell,1869 *The Bookseller* ,1969 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **Blackwood's Edinburgh Magazine** ,1831 **British Books in Print** ,1980 **The History of the World; a Survey of a Man's Record** Hans Ferdinand Helmolt,1907 **Children of Wrath** Leo Hirrel,2014-10-17 In an exciting reinterpretation of the early nineteenth century Leo Hirrel demonstrates the importance of religious ideas by exploring the relationship between religion and reform efforts during a crucial period in American history The result is a work that moves the history of antebellum reform to a higher level of sophistication Hirrel focuses upon New School Congregationalists and Presbyterians who served at the forefront of reform efforts and provided critical leadership to anti Catholic temperance antislavery and missionary movements Their religion was an attempt to reconcile traditional Calvinist language with the prevalent intellectual trends of the time New School theologians preserved Calvinist language about depravity but they incorporated an assertion of nominal human ability to overcome sin and a belief in the fixed immutable nature of truth Describing both the origins of New School Calvinism and the specific reform activities that grew out of these beliefs Hirrel provides a fresh perspective on the historical background of religious controversies
