Tolkien to Terry Pratchett and Tad Williams** Stefanie Schult, 2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J.R.R. Tolkien's original term

sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader s willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader s acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader s immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams s and Terry Pratchett s fictional worlds are successfully created through the realization of these aspects of Subcreation Apart from commenting on the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett s Discworld retains a feeling of Britishness that is not to be found in Williams s Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author s Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media Lazarus #28 Greg Rucka,2018-05-30 FRACTURE PRELUDE CONCLUSION Jonah Carlyle is dead and Jonah Ker has made a new life for himself on the edges of Bittner Territory But as much as Jonah may have escaped his Family he cannot escape the world his Family has made **The New York Review of Science Fiction** ,2000 **All the Discworld's a Stage: Volume 1** Terry Pratchett,2015-02-10 Feet of Clay Someone is killing Lord Vetinari Patrician of Ankh Morpork No one knows who no one knows why and worst of all no one knows how he just gets weaker and weaker But it s not just Vetinari across the city people are being murdered but there s no trace of anything alive having been at the crime scene Commander Vimes Head of the City Watch is a man who hates clues He and his team must question everyone the butcher the baker the candlestick maker In a city teeming with vampires werewolves dwarfs with attitude and golems Vimes must solve the crimes and save the Patrician The Rince Cycle As a punishment failed wizard Rincewind is given the task of guiding and safeguarding the Disc s first tourist Twoflower with his magical luggage on legs As they travel the city and beyond they meet the world s oldest hero Cohen the Barbarian With him and with Bethan a qualified sacrificial victim they encounter druids trolls adventurers a hairdresser and a power crazed wizard Oh and Death But not fatally Did we mention that Rincewind also has to save the world from destruction by a huge red star that will collide with the Discworld at Hogswatch The Rince Cycle is mostly based on The Light Fantastic with bits of The Colour of Magic and Sourcery added for good measure Unseen Academicals Two households both alike in dignity in fair Ankh Morpork where we lay our scene Football divides the city Each area has its own team and rivalry means supporters never mix Until a Dimwell fan falls for a Dolly Sisters girl And now an ancient bequest means the wizards of Unseen University must win a football match without using magic Luckily they re coached by the

mysterious Mr Nutt and no one knows anything much about Mr Nutt not even Mr Nutt which worries him too As the match approaches four lives are entangled and changed forever Because the thing about football the important thing about football is that it is not just about football
