The Films of Laurel and Hardy William K. Everson, 1971 *The Making of Laurel and Hardy* Danny Lawrence, 2019-11-22 Stan Laurel and Oliver Hardy had been around for a long time pursuing entirely separate careers before they became Laurel and Hardy In 1926 they were both only moderately successful performers and Stan had come close to giving up acting altogether Yet by 1927 after the release of *Duck Soup* they had been transformed into a comic partnership which would soon make them international stars The book first describes the individual careers and long roads that eventually brought Laurel and Hardy together on the set of *Duck Soup* the pivotal film which gave birth to their wonderful comic partnership The book then analyses the origins and the making of *Duck Soup* Although made in the Hal Roach Studios it was not conceived or written by any of the studios long established writers The film was very much the creation of one of its recently appointed and least experienced writers and directors That person was Stan Laurel In trying to understand the making of *Duck Soup* two things stand out clearly The first is that it was Stan Laurel himself who wrote the screenplay for that first breakthrough Laurel and Hardy film The second is that it was Stan Laurel s father Arthur Jefferson who wrote the theatrical sketch on which Stan s screenplay was based Remarkably 20 years since its first performance Stan Laurel turned to it to try to break his long run of only limited success in films and establish himself as someone of consequence in the Hal Roach Studios It is a remarkable testament to Arthur Jefferson s talents that his little sketch did the trick and that it was the first vehicle for the sublime comic partnership of Laurel and Hardy The original film is now lost but versions are in circulation made up from subsequent now incomplete releases The differences between them in terms of visual content and sometimes marked variations in their subtitles is compared in detail Before the making of *Duck Soup* Stan Laurel and Oliver Hardy were no more than acquaintances who had worked together a few times in varying roles on film sets They went on to create an enduring on screen friendship able to survive all sorts of adversity and misfortune which made them hugely popular around the world In time their on screen friendship blossomed into a deep real life personal friendship Sadly their real lives bore some resemblance to the situations they found themselves in so many times on screen They not only played in scenes of marital discord on film sets but had to endure them in real life When their film careers ended they were out of work just as they had been so often on screen Their circumstances obliged them to make three arduous tours of UK variety theatres although the gruelling nature of their schedules was tempered by the love and appreciation they encountered as they criss crossed the country Then tragically just as their health had sometimes been an issue on screen

they had to cope with real life health issues Yet such adversity only drew them closer together in real life as it had done on screen That is what is portrayed in Jeff Pope s film *Stan and Ollie* which went on general release in 2019 That film however is a fictionalised story of how the Laurel and Hardy partnership ended This book is the factual account of how it began *The Laurel & Hardy Movie Scripts: 20 Original Short Subject Screenplays (1926 - 1934)* Randy Skretvedt,2018-06-18 Stan Laurel and Oliver Hardy improvised many of the scenes for their classic comedies while the cameras were rolling which meant that some excellent material in their scripts was lost until now Twenty complete original screenplays for their short subjects are presented here for the the very first time They include a treasure trove of unused but hilarious comedy routines Among them is the entire script for a proposed 1926 comedy never filmed which would have been the comedians first film as a team The scripts are illustrated with 150 rare photos many of them vividly depict the process of making the films Introductions for each entry detail the fascinating differences between the scripts and the movies made from them Full cast and credit information is also included This collection of fabulous rarities is essential for any admirer of Stan and Ollie *Stan and Ollie* Simon Louvish,2005-07-01 Stan Laurel and Oliver Hardy have remained from 1927 to the present day the screen s most famous and popular comedy double act celebrated by legions of fans But despite many books about their films and individual lives there has never been a fully researched definitive narrative biography of the duo from birth to death Louvish traces the early lives of Stanley Jefferson and Norvell Hardy and the surrounding minstrel and variety theatre which influenced all of their later work Louvish examines the rarely seen solo films of both our heroes prior to their serendipitous pairing in 1927 in the long lost short *Duck Soup* The inspired casting teamed them until their last days Both often married they found balancing their personal and professional lives a nearly impossible feat Between 1927 and 1938 they were able to successfully bridge the gap between silent and sound films which tripped up most of their prominent colleagues Their Hal Roach and MGM films were brilliant but their move in 1941 to Twentieth Century Fox proved disastrous with the nine films made there ranking as some of the most embarrassing moments of cinematic history In spite of this Laurel and Hardy survived as exemplars of lasting genius and their influence is seen to this day The clowns were elusive behind their masks but now Simon Louvish can finally reveal their full and complex humanity and their passionate devotion to their art In *Stan and Ollie The Roots of Comedy The Double Life of Laurel and Hardy* Louvish has seamlessly woven tireless and thorough research into an authoritative biography of these two important and influential Hollywood pioneers *Laurel and Hardy's Comic Catastrophes* Michael Bliss,2017-06-29 One of America s most beloved comic duos Stan Laurel and Oliver Hardy have entertained generations of viewers with their unique heartwarming brand of slapstick comedy The pair s teamwork and friendship set their films apart softening both pratfalls and hardships and earning them a cherished place in cinema history From their first joint on screen appearance in 1921 s *The Lucky Dog* through their work at the Hal Roach studios their comic signature remained unique But what made the films of Laurel and Hardy so enduring In *Laurel and Hardy s Comic*

Catastrophes Laughter and Darkness in the Features and Short Films Michael Bliss illustrates why these films continue to make audiences laugh Combining an appreciation for the pleasure that these films elicit with a critical examination of what made them work Bliss first investigates the milieu in which the pair s comedy takes place The author then explores Stan and Ollie s friendship and their troubled and troubling relationships with women The book also features a detailed discussion of Stan Laurel s approach to gag structure while the remainder of the book focuses on many of the pair s silent and sound films such as Duck Soup Pack Up Your Troubles Chickens Come Home and The Music Box By delving into the pair s films including several neglected short films in greater detail than any previous work this volume provides readers with a fundamental understanding of Stan and Ollie s universal appeal Featuring an extensive filmography Laurel and Hardy s Comic Catastrophes will engage a wide audience from film scholars to fans of humor everywhere Laurel & Hardy: The Magic Behind the Movies Randy Skretvedt,2019-01-15 Randy Skretvedt s seminal LAUREL HARDY THE MAGIC BEHIND THE MOVIES is generally acknowledged as the gold standard in writing about the work of Stan Laurel and Oliver Hardy Since the book s original release in 1987 it has been updated several times through the early 1990s But over the last 15 years author Skretvedt has been compiling an Ultimate Edition of his master work with nearly 50% more text and quadruple the number of photos of previous editions Featuring exclusive interviews with the team s co workers and unfiled scenes from rare scripts it describes in the fullest possible detail how Laurel and Hardy created their classic films In addition Close to 800 of the images are new to this edition and include many never before published one of a kind pictures from Babe Hardy s personal collection Exclusive quotes and fascinating anecdotes from interviews with more than 60 of the team s co workers including producer Hal Roach editors Richard Currier and Bert Jordan musical director Marvin Hatley actresses Anita Garvin and Dorothy Granger and actor Henry Brandon Detailed accounts of hilarious unused scenes culled from the original scripts Details about the locations where the team filmed many of their most famous scenes Full cast and credit information for each film providing the names of all the players and their roles as well as previously unknown members of the technical crews And full information about the musical scores including the titles of all cues and names of composers Full information on the many films which are still missing as well as a section about the new short subjects created for TV The Laurel and Hardy Films James L Neibaur,2025-05-25 The history of the films of Stan Laurel and Oliver Hardy **Laurel and Hardy** Randy Skretvedt,1987 **Focus On: 100 Most Popular Vaudeville Performers** Wikipedia contributors, **Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965** Barry Monush,2003 Applause Books For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio

and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos

Guide to the Silent Years of American Cinema Christophe P. Jacobs, Donald McCaffrey, 1999-09-30 The latest offering from the Reference Guides to the World s Cinema series this critical survey of key films actors directors and screenwriters during the silent era of the American cinema offers a broad ranging portrait of the motion picture production of silent film Detailed but concise alphabetical entries include over 100 film titles and 150 personnel An introductory chapter explores the early growth of the new silent medium while the final chapter of this encyclopedic study examines the sophistication of the silent cinema These two chapters outline film history from its beginnings until the perfection of synchronized sound and reflect upon the themes and techniques established with the silent cinema that continued into the sound era through modern times The annotated entries alphabetically arranged by film title or personnel include brief bibliographies and filmographies An appendix lists secondary but important movies and their creators Film and popular culture scholars will appreciate the vast amount of information that has been culled from various sources and that builds upon the increased studies and research of the past ten years

Focus On: 100 Most Popular English Male Comedians Wikipedia contributors, [The Silent Films of Harry Langdon \(1923-1928\)](#) James L. Neibaur, 2012-07-06 Harry Langdon was a silent screen comedian unlike any other Slower in pace more studied in movement and quirkier in nature Langdon challenged the comic norm by offering comedies that were frequently edgy and often surreal After a successful run of short comedies with Mack Sennett Langdon became his own producer at First National Pictures making such features as Tramp Tramp Tramp The Strong Man and Long Pants before becoming his own director for Three s a Crowd The Chaser and Heart Trouble In The Silent Films of Harry Langdon 1923 1928 film historian James Neibaur examines Langdon s strange fascinating work during the silent era when he made landmark films that were often ahead of their time Extensively reviewing the comedian s silent screen work film by film Neibaur makes the case that Langdon should be accorded the same lofty status as his contemporaries Charlie Chaplin and Buster Keaton With fascinating insights into the work of an under appreciated artist this book will be of interest to both fans and scholars of silent cinema

The 100 Greatest Silent Film Comedians James Roots, 2014-10-23 The silent film era featured some of the most revered names of on screen comic performance from Charlie Chaplin and Buster Keaton to Harold Lloyd Douglas Fairbanks and Laurel Hardy Besides these giants of cinema however there are other silent era performers both leading actors and supporting players who left an enduring legacy of laughter In The 100 Greatest Silent Film Comedians James Roots ranks the greatest performers based on a scorecard that measures each comic s humor timelessness

originality and teamwork Far more than just a listing this is an idiosyncratic and entertaining review of the men and women who created the golden age of comedy As a critic and deaf viewer Roots brings a truly unique perspective to the evaluation of these performers and their work He has viewed thousands of silent comedies and offers some assessments that run contrary to the standard list of performers While many obvious names are placed in the top echelon the author also champions performers who have been neglected in part because their work has not been as visible Each entry includes a filmography a scorecard and an evaluation of the artist's overall work an assessment of representative films DVD availability With the increased availability of films on DVD as well as Internet access more and more silent performers are being discovered by film fans Supplemented by an appendix of comedians who missed the cut as well as an annotated bibliography *The 100 Greatest Silent Film Comedians* will be an invaluable resource to anyone wanting to know more about the brilliant entertainers of the silent era
