The Films Of Nicholas Roeg:

Films of Nicholas Roeg John Izod,1992-06-18 Audiences respond to three things in the films of Nicolas Roeg their power their style and the fact that they puzzle them The author argues that all three elements are tied together with the power of the films springing from their source in ancient mysteries **The Films of Nicolas Roeg** Neil Sinyard,1991-01-01

Nicolas Roeg, Film by Film Scott Salwolke,1993 Nicolas Roeg has directed some of the most original films of the past twenty years yet his work has remained relatively unknown Combining the styles of such famous British directors as Hitchcock Reed and Lester with innovations from the French New Wave his work is artfully distinctive Despite their initial lack of commercial appeal and pans by critics for their inaccessibility many of Roegs films have gained a large audience over time *Performance* and *Bad Timing* have become cult films *Walkabout* is a mainstay on college campuses and even among church groups *Why Film* by film details of Roegs dozen features are examined in an effort to better understand the man and his movies

Films of Nicolas Roeg John Izod,1992 **Fragile Geometry** Joseph Lanza,1989 A survey of the work of the British filmmaker his vision of a decentered world depicted in such films as *Don t Look Now* *The Man Who Fell to Earth* and *Walkabout* The Films of Nicolas Roeg John Izod,1992 Audiences respond to three things in the films of Nicholas Roeg The first is their extraordinary power the second their vivid style The third has to do with the fact that they present the viewer with puzzles often about people whom audiences half recognise but cannot immediately understand The author argues that all three elements are tied together with the power of the films springing from their source in ancient mysteries By adapting the methods of the psychoanalyst C G Jung he shows how Roeg reworks myth in order to reach into the unconscious of late 20th century humanity These new cinematic myths do more than reveal the motivation of Roeg s characters they so excite the desire for greater understanding that spectators become involved in a quest of their own and seek out improved self knowledge

Nicolas Roeg Neil Feineman,1978 Discusses films such as *Performance* *Walkabout* *Don t look now* *The man who fell to earth* and others **The World is Ever Changing** Nicolas Roeg,2013-07-10 Nicolas Roeg is one of the most distinctive and influential film makers of his generation The generation of film makers who define contemporary movie making Danny Boyle Kevin Macdonald *The Last King of Scotland* Christopher Nolan *The Dark Knight* James Marsh *Man on Wire* and Guillermo Del Toro *Pan s Labyrinth* all acknowledge their debt to the work of Nicolas Roeg Roeg began as a cameraman working for such masters as Francois Truffaut and David Lean His explosive debut as a director with *Performance* established an approach to film making that was unconventional and ever changing creating works such as *Don t Look Now* *The Man Who Fell to Earth* *Bad Timing* *Insignificance* and more recently *Puffball* Having now reached eighty years of age Roeg has decided to pass on to the next generations the wealth of wisdom and experience he has garnered over fifty years of film making

The Eureka Complex Lesley Davis,1989 *Enunciation and Sexuality in the Films of Nicolas Roeg* Justin Wyatt,1985 **World Is Ever Changing * Signed * N. Roeg,2013-07-18** Nicolas Roeg began as a cameraman

working for such masters as Francois Truffaut and David Lean His explosive debut as a director with *Performance* established an approach to film making that was unconventional and ever changing creating works such as *Don't Look Now* *The Man Who Fell to Earth* *Bad Timing* *Insignificance* and more recently *Puffball* Having now reached 80 years of age Roeg has decided to pass on to the next generations the wealth of wisdom and experience he has garnered over fifty years of film making There are constellations and stars shining within them but for me none burned brighter than Nic Roeg the films from *Performance* to *Eureka* are at least on a par with the giants of movie making anywhere in the world fierce uncompromising iconoclastic dazzlingly original he is British film s Picasso Danny Boyle **British films of the 1970s** Paul

Newland,2015-11-01 *British films of the 1970s* offers highly detailed and insightful critical analysis of a range of individual films of the period This analysis draws upon an innovative range of critical methodologies which place the film texts within a rich variety of historical contexts The book sets out to examine British films of the 1970s in order to get a clearer understanding of two things the fragmentary state of the filmmaking culture of the period and the fragmentary nature of the nation that these films represent It argues that there is no singular narrative to be drawn about British filmmaking in the 1970s other than the fact that these films offer evidence of a Britain and ideas of Britishness characterised by vicissitudes While this was a period of struggle and instability it was also a period of openings of experiment and of new ideas Newland looks at many films including *Carry On Girls* *O Lucky Man* *That'll be the Day* *The Shout* and *The Long Good Friday* **The Films of Peter Weir** Jonathan Rayner,2003-10-01 Peter Weir is without doubt one of the most important Australian film directors of all time His films have had a major impact both in terms of the Australian film industry *Picnic at Hanging Rock* *The Cars That Ate Paris* and *Gallipoli* and as the work of an innovative auteur working within the confines of the Hollywood system *Witness* *Dead Poets Society* *Fearless* and *The Truman Show* This fully revised and updated edition of Jonathan Rayner s acclaimed study takes an in depth look at the career of a filmmaker who has over the course of 30 years put together a substantial and much loved body of work Rayner illustrates how Peter Weir brings a consistent vision to his films no matter how disparate their subject matter and how he uses his outsider status in the American film industry to his advantage The release of Weir s new movie a sea faring epic starring Russell Crowe in 2003 will likely heighten his status as a great director still further *The enigmatic films of Nicolas Roeg* Simon Lang,2011 *Don't Look Now* Mark Sanderson,2019-07-25 *Don't Look Now* released in 1973 confirmed director Nicolas Roeg as one of the most stylish and innovative British directors of the postwar period Adapted from a short story by Daphne du Maurier it is both a complex study of how people come to terms with grief and a chilling tale of murder set among the canals and churches of Venice Featuring telling performances by Julie Christie and Donald Sutherland as the couple whose daughter has tragically died *Don't Look Now* depicts the way in which the macabre and the everyday are intertwined In his lucid subtle account Mark Sanderson describes the collaboration between director and actors that sustained the film s emotional richness He returns to du Maurier s original text and to the

traditions of Gothic writing that underpin Don't Look Now's combination of horror melodrama and black comedy Sanderson examines the film's intricate visual style uncovering the way in which particular motifs are used to amplify its depiction of two terrible deaths He finds compensation for the film's grimly fatalistic view of life in its celebration of sexual relationships and the power of recollection The book includes an exclusive and in depth interview with Roeg as well as rare and unpublished comments from Christie In his foreword to this special edition published to celebrate the 20th anniversary of the BFI Film Classics series Jason Wood places Don't Look Now in the context of Roeg's film making career and draws upon Roeg's revealing insights into the film's production

Historical Dictionary of British Cinema Alan Burton, Steve Chibnall, 2013-07-11 British cinema has been around from the very birth of motion pictures from black and white to color from talkies to sound and now 3D it has been making a major contribution to world cinema Many of its actors and directors have stayed at home but others ventured abroad like Charlie Chaplin and Alfred Hitchcock Today it is still going strong the only real competition to Hollywood turning out films which appeal not only to Brits just think of Bridget Jones while busily adding to franchises like James Bond and Harry Potter So this Historical Dictionary of British Cinema has a lot of ground to cover This it does with over 300 dictionary entries informing us about significant actors producers and directors outstanding films and serials organizations and studios different films genres from comedy to horror and memorable films among other things Two appendixes provide lists of award winners Meanwhile the chronology covers over a century of history These parts provide the details countless details while the introduction offers the big story And the extensive bibliography points toward other sources of information

Fires Were Started Lester D. Friedman, 2006 *Fires Were Started* is a provocative analysis of the responses of British film to the policies and political ideology of the Conservative governments of Margaret Thatcher and it represents an original and stimulating contribution to our knowledge of British cinema This second edition includes revised and updated contributions from some of the leading scholars of British cinema including Thomas Elsaesser Peter Wollen and Manthia Diawara The book discusses prominent filmmakers such as Peter Greenaway Derek Jarman Ken Russell Nicolas Roeg and Stephen Frears it also explores some lesser known but equally important territory such as the work of Black British filmmakers the Leeds Animation Workshop and Channel 4's *Film on Four* Films discussed include *Distant Voices* *Still Lives* *My Beautiful Launderette* *Chariots of Fire* and *Drowning by Numbers*

Dark Forces at Work Cynthia J. Miller, A. Bowdoin Van Riper, 2019-11-06 *Dark Forces at Work* examines the role of race class gender religion and the economy as they are portrayed in and help construct horror narratives across a range of films and eras These larger social forces not only create the context for our cinematic horrors but serve as connective tissue between fantasy and lived reality as well While several of the essays focus on name horror films such as *IT* *Get Out* *Hellraiser* and *Don't Breathe* the collection also features essays focused on horror films produced in Asia Europe and Latin America and on American classic thrillers such as Alfred Hitchcock's *Psycho* Key social issues addressed include the war on terror poverty the housing crisis and the
