The First Bible:

The First Century Aramaic Bible in Plain English- The Minor Prophets (Hosea to Malachi) Rev. Glenn David Bauscher, 2018-11-29 This is a literal translation of the 1900 year old Aramaic Old Testament called the Peshitta say Pesh eet a Aramaic was the native language of Jesus and of Israel in the 1st century AD This volume contains the Minor Prophets Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah Malachi The text translated is the 6th 7th century Codex Ambrosianus the oldest complete Semitic Old Testament extant The Peshitta Old Testament was very likely translated from the Hebrew Bible in the 1st century AD in Israel by Christian converts from Judaism or possibly Syrian Christians from across Israel s border Either way the Peshitta Old and New Testaments together constitute the first Christian Bible The author has translated and published interlinears of the Aramaic Peshitta Torah Psalms Proverbs and Ecclesiastes as well as the entire Aramaic Peshitta New Testament and plain English translations of the NT the Torah the Psalms Proverbs Hardback 6x9 88 pages in B W **The Bible's First History** Robert B. Coote, David Robert Ord, 2018-01-04 This is a book about an ancient writer the J writer the Yahwist who produced a work of political imagination This work is embedded mainly in the first four books of the Bible best known for some of the most popular and influential biblical stories in Genesis and Exodus The purpose of the book is to represent the whole of the original story with attention to its own meaning without the influence of the other literary strands with which it was later supplemented Therefore the work includes a fresh complete translation of the text of the J writer who produced the Bible s first history The translation itself helps to establish more clearly than ever the integrity of the J writer The concern here is WHEN and WHY this history was written especially in light of the concerns for justice and prosperity Throughout it is demonstrated HOW and WHY this history comes from the court of David it is a royal history of David s subjects as though they were descended from pastoral nomads such as Abram Isaac and Jacob It is argued that the intended audience of the history was probably those bedouin who regularly visited the court of David in Hebron and Jerusalem Here is a bold and brilliant representation of the J writer s composition perhaps as it was originally intended to be read or heard This ancient tour de force takes on new life in the hands of these skilled interpreters

The Stratified Leadership Model of the First-Century Christian Church Barton S. Garratt Edsall, 2025-07-29 This research work aims to present a solution to the problem of withering Christian congregations present in modern Christian churches by way of expounding the

doctrine that Jesus or his apostles promoted as displayed in the four canonical Gospels the Acts of the Apostles or the New Testament epistles This study presents factual information showing that the doctrine and arrangement of leaders that developed within the first century church may have been overlooked and lost by the wayside of history in favor of established traditions Paul declared his purpose for visiting the church believers in Rome was not to collect money or build houses of worship but so that their lives might manifest spiritual fruit Following that example improving the spiritual quality of their people s lives should be the primary goal of all Christian ministers The majority of this work will conduct a careful exegesis of selected passages from the New Testament which focus on the leadership model utilized by the first century church This study presents in detail the stratified leadership model of the early times in such a fashion that any modern church might replicate its design
