A Complete Guide for First-Time Mommies Anne Marceline Yepmo, 2011-12-21 Pregnancy is an exciting time in any woman's life. It's also a time of nervousness and unknowns as your body changes to accommodate the precious little one inside you. You may wonder or even worry about how to do everything you can to give your baby a healthy start. The best way to alleviate your fears and give your child the best start is to understand your pregnancy and to be prepared for what is to come. A Complete Guide for First Time Mommies seeks to help you prepare for your journey into motherhood and develop confidence along the way. This guide offers answers to your new mom questions as well as comprehensive step by step instructions for everything from preparing your nursery to preparing your body for the birth of your child. The checklists included will help you stay organized, focused, and always one step ahead. With pertinent information on infant care, this guide also serves as an excellent reference for after your baby is born. Congratulations on taking this step to becoming the most knowledgeable and well prepared mommy you can be.

**The Pregnancy Bible** Keith Eddleman, 2003 An authoritative and up to date reference. The Pregnancy Bible combines the knowledge and experience of medical specialists and family doctors all under the direction of practicing and widely published obstetricians. It follows the complete sequence of fetal development in utero week by week. Each step is illustrated with full color photography, many of which are life size. Dozens of step by step illustrations help make the many aspects of infant care easier to master. In depth and highly readable information covers Nutrition and exercise, Cesarean section, Planning for a home birth, Options for pain relief, Prenatal and postpartum care, Coping with emotional changes, Taking care of newborns, Preparing a safe environment at home. Quick reference gatefold spreads help keep track of important tests and check ups for each trimester. Included is an in depth directory of specialized tests and procedures available for both mother and child. The Pregnancy Bible is an extensive, accessible, up to the minute sourcebook of everything expecting parents need to know, combining the knowledge and experience of many medical specialists and healthcare providers.
