Anderson, 2024-04-07 Reprint of the original first published in 1882 The Fisher-maiden Bjørnstjerne Bjørnson, 1869 Works: The fisher maiden Bjørnstjerne Bjørnson, 1882 The Fisher Maiden Bjørnstjerne Martinius Bjørnson, 2022-10-27 **The Fisher Maiden** Bjørnstjerne Bjørnson, 2018-11-08 From the PREFACE The Fisher Maiden was written in 1867 and 1868 and was published simultaneously in Norway and Germany The popularity of the story is sufficiently demonstrated by the fact that it has appeared in four German and in two English translations the present being the third The characters are perhaps less ideal than those of his peasant stories and the style throughout indicates that the author has entered upon a new era in his literary development His aim here is to show how irresistible is the power of innate vocation and natural talent and to vindicate the theatre as a place not only of amusement

but also of instruction against the unjust criticisms of the clergy In the weird poem in the eleventh chapter on the young viking Mr Bj rnson depicts in strangely profound sentences his own career his early struggles and the victory he so quickly gained Indeed as Bj rnson said to me in 1872 The Fisher Maiden is Bj rnson himself and in the young viking he has given in a few enigmatic strokes a picture of both the heroine and the author Nowhere does Mr Bj rnson s patriotism burst forth in purer and nobler strains than in the short poem that follows soon after that on the young viking It is all aglow with love and pride and confidence and hope and is a perfect mirror of the poet s feelings and aspirations in the midst of his great success The poems in this volume are translated by Augusta Plesner and Frederika Richardson with the exception of the one at the end of chapter iv beginning Ah sweet is Love s first meeting and the one in chapter ix beginning Joy now is kindled both of which are by Auber Forestier RASMUS B ANDERSON *The Fisher Maiden* Bjornstjerne Bjornson,2015-09-03 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Fisher Maiden (Classic Reprint)* Bjornstjerne Bojrnsen,2017-10-17 Excerpt from The Fisher Maiden The characters are perhaps less ideal than those of his peasant stories and the style throughout indicates that the author has entered upon a new era in his literary development His aim here is to show how irresistible is the power of innate voca tion and natural talent and to vindicate the theatre as a place not only of amusement but also of ih struction against the unjust criticisms of the clergy About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
