Department of State, 1989 The Permanent Under-Secretary for Foreign Affairs, 1854-1946 Keith Neilson, T.G. Otte, 2008-11-19 Chief among the personnel at the Foreign Office is the Permanent Under secretary the senior civil servant who oversees the department and advises the Foreign Secretary This book is a study of the twelve men who held this Office from 1854 1946 Foreign Relations of the United States United States. Dept. of State, 1956 **The Foreign Policy of the Douglas-Home Government** A. Holt, 2014-03-07 This book provides an important study of a short lived government making foreign policy in the shadow of an impending general election It considers Britain's relations with the United States Africa Asia and the Middle East **The Making of India's Foreign Policy** Jayantanuja Bandyopadhyaya, 2003 *Documents on German Foreign Policy, 1918-1945, from the Archives of the German Foreign Ministry* Germany. Auswärtiges Amt, 1949 The Foreign Office and British Diplomacy in the Twentieth Century Gaynor Johnson, 2005 This book examines the evolution of the Foreign Office in the 20th century and the way in which it has responded to Britain's changing role in international affairs The last century was one of unprecedented change in the way foreign policy and diplomacy were conducted The work of The Office expanded enormously in the 20th century and oversaw the transition from Empire to Commonwealth with the merger of the Foreign and Colonial Offices taking place in the 1960s The book focuses on the challenges posed by waging world war and the process of peacemaking as well as the diplomatic gridlock of the Cold War Contributions also discusses ways in which the Foreign and Commonwealth Office continues to modernise to meet the challenges of diplomacy in the 21st century This book was previously published as a special issue of the journal Contemporary British History **House of Commons - Foreign Affairs Committee: the FCO's Human Rights Work in 2012 - HC 267** Great Britain: Parliament: House of Commons: Foreign Affairs Committee, 2013-10-17 The FCO was timid and inconsistent in the discussions which led to the decision to award to Sri Lanka the right to host the 2013 CHOGM It should have taken a more robust approach since in the light of continuing human rights abuses in the country In 2009 the FCO objected to Sri Lanka hosting the 2011 CHOGM but did not obstruct a proposal that it might do so in 2013 nor did it insist that Sri Lanka's right to host in 2013 should be conditional on improvements in human rights The Committee took evidence from the BBC World Service on jamming and denial of access to its broadcast and internet services particularly in Iran and China The Committee calls on the BBC to recognise in future funding plans the need to provide the resources necessary to afford protection All providers of satellite services have a commercial interest in defeating jamming The report considers Government policy on human rights in Burma and concludes

that the EU's decision to lift economic sanctions in April 2013 was the right one given the remarkable progress made in Burma. But it warns that the UK should be prepared to advocate re-imposition of sanctions if undertakings on human rights are not followed through. The Government should also urge condemnation of those responsible for violence in Rakhine State in 2012. The Committee does not support suggestions that the 2014 Winter Olympic and Paralympic Games should be boycotted in protest against human rights abuses in Russia.

Documents on German Foreign Policy 1918-1945, Series C. United States Department of State, 1957. *The imperial premiership* Sam Goodman, 2016-10-24. Recent votes in the House of Commons on British military intervention have put foreign policy at the heart of public consciousness. This book spans British foreign policy over the last fifty years and nine premierships from Harold Wilson to David Cameron. Based on the author's first-hand interviews with former foreign secretaries, Cabinet ministers, senior civil servants, party officials, military chiefs and diplomats, it offers a unique account of the growing role of the prime minister in foreign policymaking and its impact. Written by a senior parliamentary researcher, it offers an insider account of votes on military intervention in Syria. The prime minister now spends more time on foreign policy than any previous period outside war, yet the public and MPs themselves remain relatively ill-informed of foreign policy outside of crises. If we are to avoid the mistakes of the past and utilise our country's full capacity on the world stage, we need a societal change in how we vet those who seek the office and in educating the electorate.

Jeremy Clarkson borrowed my Blog Volume 1 is a highly irreverent and satirical look at life through a series of totally untrue news stories, although some have said that there could well be an element of truth in some of them. No politician, celebrity, non-celebrity, banker, institution or brand is safe. All are equally pilloried for all they are worth or for that matter not worth.
