The Forgotten Commandment:

The Forgotten Commandment Dennis Rainey, 2014-04-01 Originally published The tribute 1994 **The Forgotten Commandment** Paul T. Evans, Paul Evans, 2010 You'll never see me in a church again This comes from being wounded and hurt in church At one time church was fulfilling and exciting inviting you to get involved build some friendships and participate in something meaningful And slowly it begins to happen things are not quite like you first perceived them and in getting close to others relationships just go sour Relationships are very important to God They are a priority to Him This book is all about building loving and meaningful relationships for real The greatest deficient of the modern day church is that little or nothing is understood about the ultimate and most important Purpose of God and what it really means to love one another Learning how to regularly practice this kind of love in life has the potential for changing the course of modern history The Forgotten Commandment that you hold in your hand is like a modern word of prophecy for every believer in Christ Don't let this opportunity slip away from you Take it read it and apply it in your life then you will know just how important this message is for our generation Now can begin the journey of your life to join many others in fulfilling the Purpose of God and changing the course of history fulfilling the Great Commandment Are you willing *The Forgotten Commandment* Anson Hugh Laytner, 2023-12-15 Locked in a vacuum sealed glass tube stowed away for centuries in the Vatican Secret Archives is a manuscript appearing to be an animal rights fable but containing a dire prophetic message about humanity's destruction of the world's environment Will it help humans to finally wake up and save life on the earth The Forgotten Commandment is a work of historical eco fiction It braids together a genuine thousand year old fable written first in Arabic by Muslim Sufis and in this story protected by the Jewish Aboab clan beginning at the time of the First Crusade in Jerusalem traveling to twentieth century Europe and surviving the deadly perils of World War II then reappearing in the present when a pair of young scholars rediscover the manuscript and succeed in revealing it to the world A story for our times The Forgotten Commandment is deeply researched and enriched with true historical events and the lives of actual people The characters contend with the many challenges and evils that humanity has created tyranny anti-Semitism prejudice enslavement and destruction of animals and the apathy of the majority In the end this book shines with hope as humanity begins to change the path we have been treading *The Forgotten Commandment* Danny Shelton, 2001 **The Forgotten Commandment** Ed Smithson, 1976-01-01 **The Forgotten Commandment and the Mark of Beast Crisis-3rd Ed** Otis Rodgers, Jr., 2018-08-27 Third Edition **The Forgotten Commandment** Pacific Press Publishing Association, 2001-01-01 **The Forgotten Commandment**, 2015-12-02 What the Bible says regarding the ten commandments including prophecy regarding the attempt to change the fourth commandment *The United Order* Sarah Loutensock, 1995 **The Forgotten Commandment** Paul T. Evans, 2005-06 The Forgotten Commandment is about discovering the truth and power of Jesus Christ's great command to love one another The greatest need man has is to love and be loved Learning how to love like God

Cosmic Preeminence R L Coursey,2018-06-26 Many who correctly exalt the preeminence of Christ in their theology

may yet oppose His preeminence with their priorities Our priorities reveal our portion and location does not change that portion For the psalmist declared the preeminence of Christ in both heaven and earth Whom have I in heaven but Thee and there is none upon earth that I desire besides Thee Ps 73 25 Whenever there are two things that are good the believer who has his priorities aligned with the kingdom never rejects the lesser but always prefers the better And when one of these is finite and the other infinite there must be no competition in his choice Since Christ is preeminent in creation cosmic preeminence must be infinitely higher in our affections than cosmic redemption The new view on heaven is popular because it legitimizes the priorities of a consumer culture by always emphasizing the latter while merely including the former While both are equally true they are not truly equal The priority of the beatific vision is evidenced by the superiority of its object Therefore we should always emphasize the former without failing to mention the latter Once creation and redemption are paired together in our priorities the preeminence of Christ slowly becomes less important and how to gain and or enjoy creation is always the primary emphasis both in this life and the next Like Christ we must differentiate between His kingdom and all those things that are merely added unto us in this life and on the future new earth With the Kingdom clearly in view we must prioritize that mandate Great Commission through which Christ has chosen to extend His kingdom and work of redemption in the world The Creation Mandate given before the Fall like all the commands is not redemptive in nature and the church is the only society of the redeemed Our new identity in Christ without eliminating infinitely supersedes our creation identity simply because Christ infinitely supersedes all creation in worth The problem with exchanging the Great Commission with the Cultural Mandate is that the present mission of Christ to build His church becomes secondary to His work of providence in culture the power of the gospel becomes secondary to the power of our example and moral influence on society and culture and the preeminence of Christ is no longer based on His person and work but on the success of our work among people We always proclaim what we are wrote Martyn Lloyd Jones by our priorities **The Call** Dr. Francois Carr, 2021-09-15 Connecting my Life with God s Call It is 30 33 A D Jesus is calling your name Follow Me and I will make you fishers of men Go therefore and make disciples of all nations What would it be like to sit at the feet of Jesus listening watching and learning more about His life relationships ministry and kingdom What will happen if we follow Him wherever He leads and commissions us to go In The Call we take a closer look at what it means to be with Jesus and follow Him as we explore topics such as To Be with Him before we work for Him To Hear Him Speak To Understand His Intentions To Receive His Enabling and Empowerment To Respond with Trust and Obedience To Accomplish His Purposes To Rest and be Refreshed It s time to Connect with God s Call and Cause In every age and in every country God raises up those with a keen spiritual sensitivity to His activity I have sensed that Francois is one of God s watchmen for our day Henry Blackaby

WRONG TURN: The Fifth Season of Love Vincent Risoli-Black, 2010-09-23 Using the Bible especially the Gospels as a source of consolation for the believed potential devastation that would result in the Wrath of God once seen imminent

through Global Warming one is led through by the author to view positive signs of God's mercy and a new City of God that the Bible promises in Revelations The dolphins trapped in our rivers were our delight as we witnessed the twists and turns brought upon life through our eco systems and society Also a film maker Risoli Black details this additional dialog in the novel with anecdotes and criticisms of films of the fifties sixties and seventies when one had choices of decent role models with ideal standards not idols that led away from God WRONG TURN The Fifth Season of Love is a novel of true events where the townsfolk are the heavies that recall plots like Peyton Place and Town Without Pity Also includes the novella The Song of the Bow about the love between Jonathan and David a love greater than the love of women
