*The Formal Garden in England* Sir Reginald Theodore Blomfield, 1901      *The Formal Garden in England* Sir Reginald Theodore Blomfield, F. Inigo Thomas, 1892      **The Formal Garden in England (Classic Reprint)** Reginald Blomfield, 2015-07-14 Excerpt from *The Formal Garden in England* During the last few years the question of garden design has been discussed with a zeal possibly out of proportion to its intrinsic importance and the subject as merely literary material appears to possess a dangerous fascination for writers with a turn for pretty sentiment rather than for exact habits of thought It is therefore necessary to recall the attention of the thoughtful lover of gardens to what for the purpose I may call first principles and it has been the object of this short history to show by some account of what was actually done in the past that the gardens which we all admire were not laid out at random but in accordance with a theory of aesthetic which embraced all the arts in its application About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      [The Formal Garden in England, by R. Blomfield and F.I. Thomas](#) Sir Reginald Theodore Blomfield, 1892      **The Formal Garden in England** Sir Reginald Theodore Blomfield, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1892 edition Excerpt chapter vi knots parterres grass work mounts bowling greens theatres The ordinary modern flower bed is ugly in form and monotonous in colour and it seems to be thought necessary to border it with the ugly lobelia regardless of the colours of the flowerbed itself All the fancy has gone out of it and little or no attempt is made to lay out the beds on any consecutive scheme Contrast this with the beds of the old gardens of New College now destroyed 1 In front of the entrance gateway there was a broad path about 18 feet wide with cross paths subdividing the garden into four square plots On the righthand plot as you entered was worked probably in rosemary hyssop or thyme the arms of New College and the motto manners makyth man and the date In the next plot was a curious device in flowers On the left hand was planted the royal arms and the date 1628 and the plot beyond was laid out as an enormous sundial the hours probably shown in box or rosemary on an oval of sand with an upright dial formed of wood in the centre Olivier de Serres mentions a similar sundial in which a single cypress formed the dial 1 Such a 1 Logan s Oxonia Illustrata garden if it had been preserved would have been beyond all price to us now The ridicule with which such work is dismissed the abuse lavished on it as artificial is beside the mark It is just this very artifice this individuality this human interest that gives to the old formal garden its undying charm the feeling that once there was a

man or a woman who cared about the garden enough to have it laid out in one way more than another and that they and many generations since have taken pleasure in its beauty and the fancy of its parterres Perhaps **The Formal Garden in England** Reginald Theodore Blomfield, 2017-08-26 **The Formal Garden in England** Sir Reginald Theodore Blomfield, 1936 *The Formal Garden in England* Reginald Theodore Blomfield, F. abandoned for the practical reason that it prevented a carriage drawing up at the front door but no such objection holds against the fore court It gives privacy to the house and when properly planned
