A History of Postcolonial Lusophone Africa Patrick Chabal, David Birmingham, 2002-06-13 useful timely and important a good and informative book on the Lusophone countries Portuguese colonialism and postcolonial influences Phyllis Martin Indiana University This book produced by the obvious and distinguished corps of country specialists fills a real gap in both state level and regional broadly defined studies of contemporary Africa Norrie MacQueen University of Dundee Although the five Portuguese speaking countries in Africa that gained independence in 1974 75 Angola Mozambique Guinea Bissau Cape Verde and S o Tom e Pr ncipe differ from each other in many ways they share a history of Portuguese rule going back to the 15th century which has left a mark to this day Patrick Chabal and his co authors assess the nature of the Portuguese legacy using a twofold approach In Part I three analytical thematic chapters by Chabal examine what the five countries have in common and how they differ from the rest of Africa In Part II individual chapters by leading specialists each devoted to a specific country survey the histories of those countries since independence The book places the postcolonial experience of the Lusophone countries within the context of their precolonial and colonial past and compares and contrasts their experience with that of non Lusophone African states The result is a comprehensive readable and up to date text and reference work on the evolution of postcolonial Portuguese speaking Africa

Seascapes Jerry H. Bentley, Renate Bridenthal, Kären Wigen, 2007-04-30 Historians have only recently begun to chart the experiences of maritime regions in rich detail and penetrate the historical processes at work there Seascapes makes a major contribution to these efforts by bringing together original scholarship on historical issues arising from maritime regions around the world The essays presented here take a variety of approaches One group examines the material cultural and intellectual constructs that inform and explain historical experiences of maritime regions Another set discusses efforts some more successful than others to impose political and military control over maritime regions A third group focuses on issues of social history such as labor organization information flows and the development of political consciousness among subaltern populations The final essays deal with pirates and efforts to control them in Mediterranean Japanese and Atlantic waters

Transnational and Comparative Criminology James Sheptycki, Ali Wardak, 2012-09-10 This

book examines the issues of crime and its control in the twenty first century an era of human history where people live in an increasingly interconnected and interdependent world providing invaluable and first hand readings for undergraduate and postgraduate students

Cape Verde, Let's Go Derek Pardue,2015-11-15 Musicians rapping in kriolu a hybrid of Portuguese and West African languages spoken in Cape Verde have recently emerged from Lisbon s periphery They popularize the struggles with identity and belonging among young people in a Cape Verdean immigrant community that shares not only the kriolu language but its culture and history Drawing on fieldwork and archival research in Portugal and Cape Verde Derek Pardue introduces Lisbon s kriolu rap scene and its role in challenging metropolitan Portuguese identities Pardue demonstrates that Cape Verde while relatively small within the Portuguese diaspora offers valuable lessons about the politics of experience and social agency within a postcolonial context that remains poorly understood As he argues knowing more about both Cape Verdeans and the Portuguese invites clearer assessments of the relationship between the experience and policies of migration That in turn allows us to better gauge citizenship as a balance of individual achievement and cultural ascription Deftly shifting from domestic to public spaces and from social media to ethnographic theory Pardue describes an overlooked phenomenon transforming Portugal one sure to have parallels in former colonial powers across twenty first century Europe

Modern Africa Basil Davidson,2014-07-10 Basil Davidson s famous book now updated in a welcome Third Edition reviews the social and political history of Africa in the twentieth century It takes the reader from the colonial era through the liberation movements to independence and beyond It faces squarely the disappointments and breakdowns that have dulled the early successes of the post colonial era yet for all the sorrows and uncertainties of Africa today Basil Davidson shows how much has been achieved since decolonization and the mood of his new final chapter is hopeful and buoyant

Imperial Migrations E. Morier-Genoud,M. Cahen,2012-12-15 This volume investigates what role colonial communities and diaspora have had in shaping the Portuguese empire and its heritage exploring topics such as Portuguese migration to Africa the Ismaili and the Swiss presence in Mozambique the Goanese in East Africa the Chinese in Brazil and the history of the African presence in Portugal

The Upper Guinea Coast in Global Perspective Jacqueline Knörr,Christoph Kohl,2016-02-01 For centuries Africa s Upper Guinea Coast region has been the site of regional and global interactions with societies from different parts of the African continent and beyond engaging in economic trade cultural exchange and various forms of conflict This book provides a wide ranging look at how such encounters have continued into the present day identifying the disruptions and continuities in religion language economics and various other social phenomena These accounts show a region that while still grappling with the legacies of colonialism and the slave trade is both shaped by and an important actor within ever denser global networks exhibiting consistent transformation and creative adaptation

Economic Growth and Democracy in Post-Colonial Africa João Resende-Santos,Aminah N. Pilgrim,2022-03-28 In Economic Growth and Democracy in Post Colonial Africa Cabo Verde Small States and the World

Economy edited by João Resende Santos and Aminah Fernandes Pilgrim the contributors provide a comprehensive academic analysis of the political economy of Cabo Verde from its independence in 1975 to the present Democracy and economic growth have been in short supply in post colonial Africa Yet the widespread misperception of this vast and diverse continent as experiencing only failure has overshadowed cases of good governance human development and social peace This volume offers a comprehensive analytical narrative on how Cabo Verde Cape Verde forged a nation and navigated the world system since independence to achieve some progress The volume critically examines its political and institutional evolution foreign affairs economy and development policy The chapters analyze the sources and nature of this relative success as well as underscore the many shortcomings and challenges ahead As the first volume in English on Cabo Verde s political economy it serves as both a primary source and sociopolitical study featuring some of the most accomplished scholars and policy practitioners This collection aims to fill this gap in the literature and offers a new perspective on democracy and growth in post colonial Africa

Daddy Grace Marie W Dallam, 2007-11-01 This edgy and resourceful analysis of the early twentieth century preacher expands our understanding of a critical period in the black church experience Shayne Lee author of *T D Jakes America s New Preacher* In 1919 Charles Manuel Sweet Daddy Grace founded the United House of Prayer for All People long regarded as one of the most extreme Pentecostal sects in the country The flamboyant Grace wore purple suits with glitzy jewelry purchased high profile real estate and conducted baptisms in city streets with a fire hose He was also reputed to accept massive donations from his poverty stricken followers and use the money to live lavishly Though Grace appeared to be the glue that held this church together it has continued to thrive long after his death in 1960 After a period of restructuring and streamlining the House of Prayer remains active with a national membership in the tens of thousands In *Daddy Grace* Marie W Dallam offers both a religious history of the House of Prayer and an intellectual history of its colorful and enigmatic leader Dallam examines the religious nature of the House of Prayer the dimensions of Grace s leadership strategies and the connections between his often ostentatious acts and the intentional infrastructure of the church itself Furthermore woven through the text are analyses of the race class and gender issues manifest in the House of Prayer structure under Grace s aegis

Amílcar Cabral Peter Karibe Mendy, 2019-06-11 Amílcar Cabral was an agronomist who led an armed struggle that ended Portuguese colonialism in Guinea Bissau and Cabo Verde The uprising contributed significantly to the collapse of a fascist regime in Lisbon and the dismantlement of Portugal s empire in Africa Assassinated by a close associate with the deep complicity of the Portuguese colonial authorities Cabral not only led one of Africa s most successful liberation movements but was the voice and face of the anticolonial wars against Portugal A brilliant military strategist and astute diplomat Cabral was an original thinker who wrote innovative and inspirational essays that still resonate today His charismatic and visionary leadership his active pan Africanist solidarity and internationalist commitment to every just cause in the world remain relevant to contemporary struggles for emancipation and

self determination Peter Karibe Mendy s compact and accessible biography is an ideal introduction to his life and legacy

Small Worlds, Global Lives Russell King, John Connell, 1999-10-01 Geologists most from Australia and Britain but with some outliers from continental Europe and North America focus on small islands where the scarcity of people and resources make migration substantially important socially and economically The topics include the Azores historical cultural and literary perspectives on emigration from the minor islands of Ireland Nevis and the post war labor movement in Britain islands and the migration experience in the fiction of Jamaica Kincaid from dystopia to utopia on Norfolk Island Tongans online the changing contours of migrant Samoan kinship and finding a retirement place in sunny Corfu **Ruling**

Emancipated Slaves and Indigenous Subjects Olukunle P. Owolabi, 2023-04-11 In this book Olukunle Olowabi explores the divergent developmental consequences of nations in the Global South that were shaped on the one hand by forced settlement where European colonists established large scale agricultural plantations with enslaved African labor and on the other by colonial occupation He shows that most forced settlement colonies emerged from European domination with higher levels of education attainment greater postcolonial democratization and favorable human development outcomes relative to Global South countries that emerged from colonial occupation after 1945 Covering the entire postwar era this is the first book to systematically examine the distinctive patterns of state building and institutional development that resulted from forced settlement and colonial occupation in the Black Atlantic world
