The Foundation And Structure Of Sartrean Ethics

Charles Guignon

The Foundation And Structure Of Sartrean Ethics:

Sartre's Two Ethics Thomas C. Anderson,1993 Sartre's moral thinking progressed from an abstract idealistic ethics of authenticity to a more concrete realistic and materialistic morality Much of Sartre's important unpublished work on ethics relevant to both his first and his second ethics has become available to scholars only in the years since his death Only now has it become possible to give a complete presentation of both the first and the second ethics and to accurately identify their relationship Sartre's Two Ethics also presents Professor Anderson's original criticisms of Sartre's two ethics and concludes that the second is a significant advance over the first

The Foundation and Structure of Sartrean Ethics Thomas C. Anderson,1979

Sartre Explained David Detmer,2011-04-15 The French philosopher Jean Paul Sartre 1905-1980 was the major representative of the philosophical movement called existentialism and he remains by far the most famous philosopher worldwide of the post World War Two era This book will provide readers with all the help they will need to find their own way in Sartre's works Author David Detmer provides a clear accurate and accessible guide to Sartre's work introducing readers to all of his major theories explaining the ways in which the different strands of his thought are interrelated and offering an overview of several of his most important works Sartre was an extraordinarily versatile and prolific writer His gigantic corpus includes novels plays screenplays short stories essays on art literature and politics an autobiography several biographies of other writers and two long dense complicated systematic works of philosophy Being and Nothingness and Critique of Dialectical Reason His treatment of philosophical issues is spread out over a body of writing that many find highly intimidating because of its size diversity and complexity A distinctive feature of this book is that it is comprehensive The vast majority of books on Sartre including those that are billed as introductions to his work are highly selective in their coverage For example many of them deal only with his early writings and neglect the massive and difficult Critique of Dialectical Reason or they address only his philosophical work and ignore his novels and plays or vice versa The present book by contrast discusses works in all of Sartre's literary genres and from all phases of his career An introductory chapter provides an overview of Sartre's life and work The next chapter analyzes several of Sartre's earliest philosophical writings Each of the next six chapters is devoted to an in depth examination of a single key book Two of these chapters are devoted to philosophical works two to plays one to a biography and one to a novel These chapters also contain some discussion of other writings insofar as these are relevant to the topics under consideration there A final chapter considers important concepts and theories that are not found in the major works discussed in earlier chapters briefly introduces other important works of Sartre's and offers some final thoughts The book concludes with a short annotated bibliography with suggestions for further reading Central to all of Sartre's writing was his attempt to describe the salient features of human existence freedom responsibility the emotions relations with others work embodiment perception imagination death and so forth In this way he attempted to bring clarity and rigor to the murky realm of the subjective limiting his focus neither to the purely intellectual

side of life the world of reasoning or more broadly of thinking nor to those objective features of human life that permit of study from the outside Instead he broadened his focus so as to include the meaning of all facets of human existence Thus his work addressed in a fundamental way and primarily from the inside where Sartre's skills as a novelist and dramatist served him well the question of how an individual is related to everything that comprises his or her situation the physical world other individuals complex social collectives and the cultural world of artifacts and institutions

Sartre and the Moral Limits of War and Terrorism Jennifer Ang Mei Sze, 2010-01-31 Based on the latest debate on Jean Paul Sartre's works on ethics and politics this book examines the relevancy and importance Sartre holds for contemporary concerns the reactionary nature of terrorism the extremity of counter violence and limitations of democratization efforts in our post 9 11 era all claiming the name of freedom and liberation It presents a different version of the violent Sartre which was presented recently as militant and supportive of terrorism by critics who were concerned with the terrorist nature of his writings Sartre in this project is reconstructed as a philosopher who although gave importance to the notion of violence in his politics was actually more concerned with containing violent means within morally excusable limits He is presented as both a realist who understood the inevitability of dirty hands in political struggles and also an absolutist against terrorism he considered wars that derailed from their purported ends of freedom as morally condemnable Arguing for the need for moral limitations to all violent struggles and the need for seeing others as ends for themselves this project outlines an existential response needed to help us reaffirm our moral compass through the invention of existential humanist ethics

The Bloomsbury Handbook of Existentialism Jack Reynolds, Ashley Woodward, Felicity Joseph, 2023-12-28 This fully revised and updated 2nd edition provides a comprehensive reference guide to existentialism featuring key chapters on key existentialist thinkers as well as chapters applying existentialism to subject areas ranging across politics literature feminism religion the emotions cognitive science and poststructuralism Contemporary developments in the field of existentialism that speak to issues of identity and exclusion are explored in 4 new chapters on race gender disability and technology whilst the 5th new chapter outlines analytic philosophy's complicated relationship to existentialism Presenting the field of existentialism beyond the European tradition this edition also includes a new key thinker chapter on Frantz Fanon alongside Kierkegaard Nietzsche Heidegger Sartre and de Beauvoir as well as new engagement with the work of scholars on race and existentialism including Lewis R Gordon George Yancy and Richard Wright The resources section at the end of the book includes an updated A to Z glossary and timeline of key events texts and thinkers in existentialism as well as a list of relevant organisations and an annotated guide to further reading making this 2nd edition an invaluable text for scholars and students alike

The Power of Consciousness and the Force of Circumstances in Sartre's Philosophy Thomas W. Busch, 1989-11-22 Displaying a masterful grasp of the texts the author shows how otherness forces itself upon the existentialist Sartre gradually constraining him to modify his understanding of consciousness as omnipotent The issue is Sartre's discovery of the social and its conceptual

assimilation into his individualistic consciousness oriented philosophy Thomas R Flynn This very successful and accessible scholarly book is simultaneously a succinct and clear overview of Sartre s philosophical works and a fresh consideration of Sartre s body of work Choice Busch s admirably clear and compact discussion is essential reading for Sartre scholars since it powerfully addresses many issues dividing them Ethics a useful overview of the evolution of Sartre s thought Review of Politics a thought provoking reassessment of Sartre s philosophical career Man and World succinct richly documented survey International Studies in Philosophy

New Directions in Ethics Joseph P. DeMarco, Richard M. Fox, 2020-07-21 Originally published in 1986 this book examines the extent to which existing ethical theory can provide an adequate framework for the resolution of practical moral issues The contributors all leading moral philosophers provide an authoritative and comprehensive account of developments in ethical theory with emphasis on issues in applied ethics They explain the dominant ethical theories survey major field of applied ethics and speculate about the future of ethics

Phenomenology and Mind 23 Andrea Cimino, Dermot Moran, Andrea Staiti, 2022-12-01 Andrea Cimino Dermot Moran Andrea Staiti Introduction Ingrid Vendrell Ferran Emotions and Sentiments Two Distinct Forms of Affective Intentionality Nicola Spano The Foundation of Evaluation and Volition on Cognition A New Contribution to the Debate over Husserl s Account of Objectifying and Non objectifying Acts Alexis Delamare Are Emotions Valueceptions or Responses to Values Husserl s Phenomenology of Affectivity Reconsidered Veniero Venier Husserl and Non Formal Ethics Emanuele Caminada Things Goods and Values The Operative Function of Husserl s Unitary Foundation in Scheler s Axiology Cristiano Vidali The Experience of Value The Influence of Scheler on Sartre s Early Ethics Paola Premoli De Marchi The Axiology of Dietrich von Hildebrand From Phenomenology to Metaphysics Roberta Guccinelli Schatten der Irresponsivität Pathos ohne Response Response ohne Pathos Trauma Widerstand und Schelers Begriff der seelischen Kausalität REVIEW Eugene Kelly Review of Roberta de Monticelli s Towards a Phenomenological Axiology

The Foundations and Structure of Sartrean Ethics Thomas C. Anderson, 1979

Jean-Paul Sartre Christine Daigle, 2009-10-16 A critical figure in twentieth century literature and philosophy Jean Paul Sartre changed the course of critical thought and claimed a new important role for the intellectual Christine Daigle sets Sartre s thought in context and considers a number of key ideas in detail charting their impact and continuing influence including Sartre s theories of consciousness being and freedom as outlined in *Being and Nothingness* and other texts the ethics of authenticity and absolute responsibility concrete relations sexual relationships and gender difference focusing on the significance of the alienating look of the Other the social and political role of the author the legacy of Sartre s theories and their relationship to structuralism and philosophy of mind Introducing both literary and philosophical texts by Sartre this volume makes Sartre s ideas newly accessible to students of literary and cultural studies as well as to students of continental philosophy and French

Communities of Individuals Michael J. R. Cross, 2017-10-05 This title was first published in 2001 This book examines the liberal communitarian debate from a new perspective Communitarians argue

that liberal theory neglects the significance of communities for the lives of their members. An examination of that argument reveals that there are deficiencies in the communitarian account of community. Identifying and remedying those deficiencies is the key concern of this book. Uniquely, this book addresses the deficiencies using Sartre's anarchist theory derived largely but not exclusively from an interpretation of the Critique of Dialectical Reason. Sartre champions the individual yet criticises liberalism. The tension arising from these two apparently disparate positions makes for a fruitful argument enhanced by the connections made with Aristotelian and feminist theory, Hobbes and Rousseau. Finally, a method is developed for inquiring into the nature of associations which it is argued should interest communitarians concerned to avoid deficiencies in their account of community.

The Existentialists Charles Guignon, 2004-10-26 This volume brings together for the first time some of the most helpful and insightful essays on the four most influential and discussed philosophers in the history of existentialism: Kierkegaard, Nietzsche, Heidegger, and Sartre. The contributors write on such topics as Kierkegaard's knight of faith and his diagnosis of the present age; Nietzsche's view of morality and self-creation; Heidegger's accounts of worldhood and authenticity; and Sartre's ontology, ethics, and conception of the cogito. The essays have been selected for their higher level of scholarship and for their ability to illuminate various aspects of their subjects' work. The volume is enhanced by the editor's introduction and extensive bibliography to aid further study.

Freedom As a Value David Detmer, 2013-12-15 This dramatic re-evaluation of Sartre's ethical theory establishes its author as a leading American exponent of phenomenology and wins many new followers for Sartre in the English-speaking world.

Earthly Engagements Matthew C. Ally, Damon Boria, 2023-03-16 *Earthly Engagements: Reading Sartre after the Holocene* brings together scholars from the Sartre studies community to think through the planetary ecological crisis. Edited by Matthew C. Ally and Damon Boria, the collection explores ways in which Sartre's existential thought can be read socio-ecologically, illuminating the tightly imbricated earthly and worldly crises of our post-Holocene epoch. Contributors variously discuss phenomenology, ethics, politics, ontology, and metaphysics. Earthly locations include the Icelandic coast, the Minnesota woods, the Indiana Dunes, the Chinese Great Plain, the Venetian Lagoon, and more. Worldly situations include that of the artist, the activist, the consumer, the tourist, and more. Through their diversity of methods and substantive concerns, the chapters reveal a wealth of critical and heuristic resources within Sartre's thought for thinking through and engaging the planetary ecological crisis and its direct ties to global social, economic, and political crises. In full recognition of Sartre's personal distaste for agrarian settings and wilderness and some ostensibly anti-environmental philosophical and literary moments, the contributors take the proper Sartrean line: that how we view nature and our relationship to nature is neither closed nor predetermined. Like life itself, our worldly relationship to earthly nature is rooted in the sufficiency and open-endedness of freedom.

Emmanuel Levinas: Levinas and the history of philosophy Claire Elise Katz, Lara Trout, 2005 Emmanuel Levinas (1905-1995) was one of the foremost thinkers of the twentieth century. His work has influenced a wide range of intellectuals from French thinkers such as Maurice Blanchot, Jacques

Derrida Luce Irigaray and Jean Luc Marion to American philosophers Stanley Cavell and Hillary Putnam This set will be a useful resource for scholars working in the fields of literary theory philosophy Jewish studies religion political science and rhetoric Titles also available in this series include Karl Popper November 2003 4 Volumes 475 and the forthcoming titles Edmund Husserl 2005 c 4 Volumes c 475 and Gottlob Frege 2005 c 4 Volumes c 475 Genuine Reciprocity and Group Authenticity Kevin Craig Boileau,2000 To some Jean Paul Sartre s philosophy signaled the end of modernity Michael Foucault s theories on the generation of the self helped to usher in the post modern era Kevin Boileau s work Genuine Reciprocity and Group Authenticity argues that Sartre s insight into the positive reciprocal relationships of individuals can be understood through the Foucauldian concept of power and discourse The book explores authenticity on individual and group levels breaking new ground in the study of Sartre and Foucault It is a beneficial tool for philosophers studying modern or post modern thought

Sex and Philosophy Edward Fullbrook,Kate Fullbrook,2008-06-01 An intriguing and highly readable new book examining the fascinating personal and intellectual relationship between Jean Paul Sartre and Simone de Beauvoir

In Search of Authenticity Jacob Golomb,2012-11-12 Great philosophers such as Kierkegaard

Nietzsche and Sartre have clearly been preoccupied by the possibility of authenticity In this study Jacob Golomb looks closely at the literature and writings of these philosophers in his analysis of their ethics Golomb s writings shows his passionate commitment to the quest for the authenticity particularly in our climate of post modern scepticism He argues that existentialism is all the more pertinent and relevant today when set against the general disillusionment which characterises the late twentieth century This book is invaluable reading for those who have been fascinated by figures like Camus s Meursault Sartre s Matthieu and Nietzsche s Zarathustra *Continental Philosophy in the 20th Century* Richard Kearney,2003 Continental philosophy is one of the 20th century s most important challenging philosophical movements

The Foundation And Structure Of Sartrean Ethics Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Foundation And Structure Of Sartrean Ethics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Foundation And Structure Of Sartrean Ethics has opened up a world of possibilities. Downloading The Foundation And Structure Of Sartrean Ethics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Foundation And Structure Of Sartrean Ethics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Foundation And Structure Of Sartrean Ethics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Foundation And Structure Of Sartrean Ethics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Foundation

And Structure Of Sartrean Ethics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Foundation And Structure Of Sartrean Ethics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Foundation And Structure Of Sartrean Ethics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
