Other Pieces of Benjamin Franklin. And much more. You will still not have every answer to every question you might want to know about George Washington. In some ways he was an exciting man, deep thinking and quiet while in other ways you will be able to make many comparisons to the way our government is projected now in the fake news and what the press tells us is supposed to be factual reporting on our government. Alexander Hamilton's Federalist Papers continue to be the basis for Constitutional interpretation and court decisions throughout the nation and his creation of a national bank and decision to support a strong federal power over states power helped lay the groundwork for what could be considered a national issue over a state issue.
