and ties in the realm of angelic beings For John these relations in the world above are a code to unlock relations in the world below

Baxter's Explore the Book J. Sidlow Baxter,2010-09-21 Explore the Book is not a commentary with verse by verse annotations Neither is it just a series of analyses and outlines Rather it is a complete Bible survey course No one can finish this series of studies and remain unchanged The reader will receive lifelong benefit and be enriched by these practical and understandable studies Exposition commentary and practical application of the meaning and message of the Bible will be found throughout this giant volume Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures including pastors and teachers Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr Baxter It shows throughout a deep awareness and appreciation of the grand themes of the gospel as found from the opening book of the Bible through Revelation

Hendrickson Parallel Bible-PR-KJV/NKJV/NIV/NLT Hendrickson Publishers,2008 Hendrickson s popular parallel Bible just got better It now features the latest edition of the highly regarded New Living Translation Bible study leaders students of the Scripture and readers interested in seeing how their favorite verses are rendered in different translations will appreciate this volume it s an essential aid for in depth study of God s Word

Revelation Allen Daves,2013-12 The book of Revelation offers us an interesting theological dilemma It states Rev 22 16 I Jesus have sent mine angel to testify unto you these things in the churches Revelation also states it is the true sayings of Jesus and that it is the testimony of Christ If this is not the gospel of Jesus Christ then what is it and should we consider it accursed testimony of an angel If it is not to be considered accursed then it cannot be some other gospel message then what was already given previously However this is the conundrum for if this is the gospel message then why do so few understand it There is a possibility which few consider but is the overall thesis

of this apology The reason people don't understand revelation is because they never understood what the gospel message was in the first place In that case where does that put those who claim it is not essential for salvation Do you not find it quite curious that the most Personally given NT book By Jesus himself is the least understood and given the least importance for Salvation in Christendom There are numerous preachers and bible exegetes but as Paul said I bear them record that they have a zeal of God but not according to knowledge Most who profess the name of Christ are feeding on doctrines of devils and the ignorant There are without question many qualified teachers and scholars with many years of dedication and solid education However teachers no matter how well lettered or numbered in degrees if obtained from others who are just as equally ignorant in such matters are just blind leaders of the blind And if the blind lead the blind both shall fall into the ditch
