The Four Gospels An Introduction Complete Two Volume Set:

The Four Gospels on Sunday Gordon W. Lathrop, 2012-06-01 Premier liturgical theologian Gordon Lathrop argues that far too often liturgy preaching and liturgical theology are informed by nave and outdated exegesis In another fully original and deeply reflective work Lathrop partners with newer biblical studies to see the Gospels anew He treats the Gospels as early witnesses to the meaning of Christian assembly and forces in the shaping and reshaping of liturgy Lathrop first probes each Gospel historically and exegetically to discern what it tells us about early Christian worship and Christians relationship to the Risen One Then Lathrop treats the Gospels together to draw out more of their contemporary importance especially ways in which they can enrich our reflection about the assembly itself ministry baptism the use of scripture in liturgy and unity within ecumenical diversity Taking seriously the origins of the New Testament as we understand them today Lathrop demonstrates that the Gospels can remain a true catalyst for liturgical theology and liturgical renewal as well as an inspiring link to the faith and convictions of the earliest followers of the Christian way The Academy ,1905 The Four Gospels, as Interpreted by the Early Church Francis Henry Dunwell,1876 *Ante-Nicene Christian Library: The Writings of Cyprian [v.1]* 1870 Alexander Roberts,Sir James Donaldson,1870 **The Academy and Literature** ,1907 *CSB Spurgeon Study Bible, Burgundy/Marble LeatherTouch®* Alistair Begg,CSB Bibles by Holman,2017-11 Charles Spurgeon has been called the Prince of Preachers He preached to over 10 million people in his lifetime and his written sermons have impacted millions more The Spurgeon Study Bible features thousands of excerpts from Spurgeon s sermons chosen and edited by Alistair Begg in order to bring the richness of the Prince of Preachers insights into your daily study of God s Word A Thesaurus of the Best Theological, Historical, and Biographical Literature Cyrus F. The Missionary Review of the World ,1900 **The Gospel of Tatian** Matthew R. Crawford,Nicholas J. Zola,2019-07-11 This volume combines some of the leading voices on the composition and collection of early Christian gospels in order to analyze Tatian s Diatessaron The rapid rise and sudden suppression of the Diatessaron has raised numerous questions about the nature and intent of this second century composition It has been claimed as both a vindication of the fourfold gospel s early canonical status and as an argument for the canon s on going fluidity it has been touted as both a premiere witness to the earliest recoverable gospel text and as an early corrupting influence on that text Collectively these essays provide the greatest advance in Diatessaronic scholarship in a quarter of a century The contributors explore numerous questions did Tatian intend to supplement or supplant the fourfold gospel How many were his sources and how free was he with their text How do we identify a Diatessaronic witness Is it legitimate to use Tatian s Diatessaron as a source in New Testament textual criticism Is a reconstruction of the Diatessaron still possible These queries in turn contribute to the question of what the Diatessaron signifies with respect to the broader context of gospel writing and what this can tell us about how the writing rewriting and reception of gospel material functioned in the first and second centuries and beyond
