The Fourfold Way Cd The Visionary:

Sentipensante (Sensing / Thinking) Pedagogy Laura I. Rendón, 2023-07-03 Challenging inspiring beautifully written and unusual this book calls readers to find ways to link mind and heart thinking and feeling to transform teaching and learning in higher education Laura Rendón has illustrated how one can unite one's deep beliefs values and feelings with one's keen analytical and intellectual abilities an important thought provoking and unique addition to the literature on teaching learning and the academic life The Review of Higher Education on the first edition This new and expanded edition of the acclaimed and successful book by nationally recognized student advocate activist scholar and contemplative educator Laura Rendón will surely find new audiences who are eager to create teaching and learning environments where the learner is fully present and engaged using the full capacities of mind body and senses and where the learning experience can be simultaneously subjective and objective a view which challenges the privileged notion that only reason and objective modes of learning are valid While the pedagogy can be employed with all students Rendón provides support for faculty who work with low income first generation and racially minoritized learners Sentipensante Pedagogy benefits all students through holistically meeting their emotional needs and quest for knowledge and simultaneously fostering their civic sense critical consciousness and community engagement Rendón offers an inspirational and contemplative pedagogy that leverages student assets and addresses the rhythmic balance and interconnection between intellectual social emotional and inner life skill development The book blends academic discussions about pedagogy and diverse world views as it inspires a new generation of faculty and staff to develop blueprints for democratic decolonial teaching and learning environments The sensing thinking approach has been successfully adopted and adapted in courses and seminars across many academic disciplines including STEM in two and four year colleges institutions Several colleges and universities have created centers around contemplative studies and pedagogy with applications extending to the K 12 education arena As with adopting any new pedagogical approach planning and thought needs to be given on how to integrate its reflective and creative elements with course content This book offers inspiration and guidance for faculty who want to holistically address the needs aspirations and individual development of their students

Full Voice Barbara McAfee, 2011-09-16 Full Voice offers a fun tested method to harness the power of your voice to become a more effective and flexible communicator Barbara McAfee identifies five distinct vocal tones or qualities earth fire water metal and air and explains how to cultivate each voice You'll also discover how to use your voice to convey authority passion compassion and other essential leadership qualities and how to choose the right voice to ensure your message and meaning are understood McAfee's approach offers much more than a minor cosmetic improvement It enables you to use your voice to support your intentions and aspirations express who you truly are and bring your gifts to the world As you become more aware of your own voice you also become a better listener more attuned to what people are saying underneath their words You'll discover how opening your full voice opens you to untapped potential power

and aliveness as well The Enhanced Edition includes six videos 15 15 minutes and two audio 6 20 minutes segments by the author Part I Understanding Voice is supported by two songs Who You Gonna Be While You Do What You Do and Brain Rats together with a breathing exercises video to fully utilize your Full Voice The other five videos provide earth fire water metal and air practice lessons at the end of each chapter in Part II The Five Elements Framework Barbara McAfee is a musician coach and consultant with over twelve years of experience in organizational change She has brought her music to such clients as Best Buy The Coca Cola Company the YMCA and Wells Fargo The Way of Conflict Deidre Combs,2004 The Way of Conflict teaches how to use ancient wisdom passed down through symbol folk tale and ancient classics such as The Art of War and the Bhagavad Gita to confidently engage in any dispute and reach a balanced resolution It is the first book to integrate the wealth of conflict skills found throughout the world s major religious and indigenous traditions with the latest scientific systems and conflict resolution theory The Way of Conflict employs the cross cultural metaphor of the four natural elements earth water fire and air to identify our innate conflict personalities and forge an understandable path through the chaos of conflict Using assessment tests anecdotes from indigenous and religious traditions and illustrative folk tales Dr Combs describes how to quickly assess a conflict and its participants and implement an appropriate resolution strategy

The Seven Stages of an Enlightened Teacher Christine Jax,2011-07-16 In The Seven Stages of an Enlightened Teacher Dr Christine Jax presents a path to great teaching that shows how and why teaching is a calling in the true sense of the words The book is grounded in the theory that the education of another person is a spiritual endeavor that improves as the inner life of the teacher improves While avoiding the perils of dogma doctrine and politics Jax has found a way for teachers to understand the role of God and spirituality in the classroom She does this by focusing on the teacher s strengths and commitment rather than on the student or the subject matter content Through inspirational stories concrete instructional strategies and spiritual practices this book helps teachers go through stages of enlightenment in order to become energized fulfilled and successful at increasing student growth and learning The Seven Stages of an Enlightened Teacher demonstrates how the individual teacher s gifts and beliefs are the primary elements of great teaching **A Blessing in Disguise** Andrea Joy Cohen M.D.,2008-01-02 Today s greatest luminaries generously share personal stories about their most challenging experience and provide the healing wisdom that helped them emerge fortified with inner peace strengthened faith and a deeper understanding of life Features pieces by Dean Ornish Rachel Naomi Remen Bernie Siegel Joan Borysenko Harriet Lerner Belleruth Naparstek Stephen Levine Martha Beck Dharma Singh Khalsa Daphne Rose Kingma David Whyte Anne Wilson Schaef And Others **Two-Legged Medicine** ROBYN BRIDGES, M ED, LCPC.,2014-04 So often clients have come to me unsure of how therapy or healing really works They want both an overview and specific ways to find what they seek They are asking in effect for a roadmap to guide them Two Legged Medicine How to Be Your Own Brilliant Therapist offers such a template full of life enhancing healing systems many of which you can use on your own These
