Lexy Timms, W.J. May, 2019-11-27 They say it is not the fall that kills you Maybe for humans this is true Perhaps one could go
on falling forever and yet live on I have heard them say you can get used to anything Among my people though it is the Fall
itself that is the end It is not as you might imagine a literal casting out God does not throw us down from on high It is like
many things a process one decision on top of another until you realize suddenly that you are too far gone to turn back It is
too late to do anything but go on Falling Or so at least it went for me I did not rebel There was no grand gesture or sweeping
denunciation of our values Only Nik and the hundred little ways in which I betrayed those who had been my people to stand
by his side I Fell not because I hated humans but because I loved one of my own Devil s Footsteps is the first book in the
