## **The Frankincense Trail:**

The Frankincense Trail Jody Kihara, 2011 In 200BC frankincense was worth its weight in gold making Arabia was the envy of the world But wealth comes at a cost the precious resin was transported along the Frankincense Road a dangerous route through rocky mountains and barren desert Alia is a princess in a dwindling kingdom that lies on the Frankincense Road Having grown up hearing tales of the famous Queen of Sheba she dreams of finding a way to restore her kingdom s former might When a caravan journeying to the mysterious incense lands stops to take on travellers she sees her chance She soon realises however that her trust in the caravan leaders has been misguided They are not mere incense merchants but traitors and mercenaries Alia s journey soon turns from dangerous to life threatening The Frankincense Trail is a story that transports the reader to a time and place reminiscent of the Arabian Nights tales

**Discovering Lehi: New Evidence of Lehi and Nephi in Arabia** Lynn M. Hilton, Hope A. Hilton, 2023-02-02 This fascinating Mormon odyssey was first commissioned by The Ensign But no mention was ever made in that work of the Lihyan Arabic transliteration for The People of Lehi civilization and the remarkable possibilities found in its Arabian ruins In addition to the Hilton s original research they have discovered volumes of new evidence and new possibilities The findings in this book may just be the sign saying I Lehi was here It is possible that Lehi and Nephi were actually great missionaries that they converted thousands as hinted at in D C 33 8 10 This new evidence suggests that Arabian converts of Nephi and Levi grew in number and influence and prospered as all civilizations of The Book of Mormon were promised over a period of 1000 years until they actually ruled Arabia for an additional 300 years This work may be the most remarkable evidence currently available that Levi and Nephi actually existed and may be the only research to date to actually pinpoint Book of Mormon locations with any degree of accuracy It is astounding that the city Nephi referred to as Nahum actually exists today as a city of ancient origins It conforms to the Book of Mormon description of the burial place of Ishmael and the point where they changed their direction of travel from south southeast to nearly eastward toward Bountiful Here within our very grasp may be the first physical and historical evidence that Lehi and Nephi lived breathed struggled and taught the gospel as marvelous and influential prophets of The Book of Mormon

Gardner,2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God      **The Scent Trail** Celia Lyttelton,2009-02-03 Lyttelton s passion for fragrance inspired her to have a signature perfume created just for her and then to embark on the ultimate olfactory odyssey Armed with a list of ingredients she tracked down each component of her scent tracing its origins history and culture From the iris fields of Tuscany to the vetivert distilleries of India from the nutmeg plantations of Sri Lanka to the shores of the Arabian Sea Celia gives readers a glimpse into the world of scent that few people have ever experienced providing delicious details on its place in history for example how Casanova added small amounts of ambergris

to chocolate mousses to aid his amorous adventures and how Charles Dickens carried a monogrammed pocket nutmeg grater in his waist coat at a time when nutmeg was used to ward off evil and to spice rum

### **Historical Dictionary of Yemen**

Charles Schmitz, Robert D. Burrowes, 2017-10-25 Yemen has experienced wrenching changes that have transformed the country in yet unknown ways The country exploded in a popular revolution against the long time rule of Ali Abdallah Saleh While the country appeared to slip toward civil war Yemeni political elite rallied with international backers to put together a transitional government with a plan to revise the country's constitution The transitional government began with a cautious sense of optimism and the prospect of substantial change for the better but ended in collapse because of a failure to govern The politics of the street overran an ineffective transitional government that could not address the urgent concerns of Yemeni citizens for security and jobs Instead populist leaders exploited people's dissatisfactions and threw the country into civil war The Houthi organization covertly allied with its former enemy Ali Abdallah Saleh to overthrow the transitional government and declare war on the rest of the country Saleh seems unable to conceive of life outside of the Presidential Palace and his Houthi allies appear to believe they are destined to rule Unfortunately those opposed to Saleh and the Houthi also seem unable to provide effective rule in spite of massive backing from the Gulf States The incompetence infighting and incoherence of the Hadi government bode equally ill for the future of the country The one hope may be that a new generation of Yemeni leaders emerges to displace the dismal failures of this one This third edition of Historical Dictionary of Yemen contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Yemen

### **Historical Dictionary of Yemen**

Robert D. Burrowes, 2010 A small and extremely poor Islamic country Yemen is located on the edge of the Arab world in the southernmost corner of the Arabian Peninsula It was the product of the unification of the Yemen Arab Republic and the People's Democratic Republic of Yemen in May 1990 The location of the two Yemens on the world's busiest sea lane at the southern end of the Red Sea where Asia almost meets Africa gave them strategic significance from the start of the age of imperialism through the Cold War More vital today is the fact that Yemen shares a long border with oil rich Saudi Arabia and is a key to efforts both to spread and to end global revolutionary Islam and its use of terror The second edition of the Historical Dictionary of Yemen has been thoroughly updated and greatly expanded Through its list of acronyms and abbreviations a chronology an introductory essay a bibliography and over 800 cross referenced dictionary entries greater attention has been given to foreign affairs economic institutions and policies social issues religion and politics

*Handbook of Research on Cultural Tourism and Sustainability* Ribeiro de Almeida, Claudia, Martins, Joao Carlos, Gonçalves, Alexandra R., Quinteiro, Silvia, Gasparini, Maria Laura, 2022-04-22 The process of globalization based on major forms of entertainment consumption has promoted the interest of enlarged social actors toward cultural experiencing Disseminated by social media

new forms of information and knowledge about exotic tourism destinations have endorsed an increasing interest in forms of cultural tourism. This cultural tourism turnout results from a significant change in the traveler's demands and behaviors and has led to a new and renovated interest in cultural heritage that must be studied further. The Handbook of Research on Cultural Tourism and Sustainability explores theoretical concepts related to cultural tourism and cultural routes and provides original viewpoints and empirical research with case studies and best practices for the future of cultural tourism. Covering a range of topics such as creative tourism and sustainable tourism, this major reference work is ideal for academicians, practitioners, professionals, policymakers, government officials, instructors, and students. **Monsoon** Robert D.

Kaplan, 2011-09-13 On the world maps common in America, the Western Hemisphere lies front and center while the Indian Ocean region all but disappears. This convention reveals the geopolitical focus of the now departed twentieth century but in the twenty-first century that focus will fundamentally change. In this pivotal examination of the countries known as Monsoon Asia, which include India, Pakistan, China, Indonesia, Burma, Oman, Sri Lanka, Bangladesh, and Tanzania, bestselling author Robert D. Kaplan shows how crucial this dynamic area has become to American power. It is here that the fight for democracy, energy independence, and religious freedom will be lost or won, and it is here that American foreign policy must concentrate if the United States is to remain relevant in an ever-changing world. From the Horn of Africa to the Indonesian archipelago and beyond, Kaplan exposes the effects of population growth, climate change, and extremist politics on this unstable region, demonstrating why Americans can no longer afford to ignore this important area of the world. Fatal Flaws of The Most Correct Book On Earth Claude Heater, 2007-08 Born in Oakland, California, in 1927, the author received his High School education in California before joining the Marines at 17, before the end of WW 2. While pursuing vocal studies in Los Angeles, he accepted an LDS Mission starting in Buffalo, NY. Finding many inconsistencies among missionaries, he concluded to get his own witness. With 3 days of fasting and prayer, he read the BOM, relying on Moroni's promise of asking God to reveal the truth of the BOM. Positive confirmation never came. The Mission President advised him to complete his mission, saying he needn't teach anything he didn't believe. A missionary chorus was formed, and the choice

made to tour his final months as soloist with the Utah Centennial Chorus After his mission he appeared in a Broadway Musical He left for Milan Italy in 1952 meeting his future wife on the ship After his operatic debut in Spain successful engagements followed that soon led to Berlin and a three year contract at the Vienna State Opera While singing in Rome a screen test led to Director William Wyler choosing Claude for the role of Jesus in the Academy Award film Ben Hur After the Ben Hur experience Claude made another BOM attempt with a 3 day fast prayer at the Holy Trinity chapel of St Catherine Monastery at Mount Sinai Egypt As Dramatic Tenor he sang opposite such sopranos as Birgit Nilsson Renata Tebaldi Joan Sutherland as Tristan Otello Siegfried Parsifal etc at Bayreuth La Scala and most major European opera houses After retiring he attended his local Ward with family becoming counselor in the Sunday school until he felt enough was enough Conducting a Testimony meeting he bore his lack of testimony publicly asking for excommunication as the only way to remove oneself from church rolls
