readers The Frog Prince or Iron Henry is a fairy tale best known through the Brothers Grimm's written version. In the tale a spoiled princess reluctantly befriends the Frog Prince meeting him after dropping a gold ball into a pond who magically transforms into a handsome prince. Although in modern versions the transformation is invariably triggered by the princess kissing the frog in the original Grimm version of the story the frog's spell was broken when the princess threw it against a wall in disgust.

The Frog Prince James Norcliffe, 2022-02-01 A disappearance An infatuation The Frog Prince is an intriguing multi-layered novel giving us a story within a story within a story. Remember the kiss between the frog prince and the princess. What about the part where the princess angrily flings the frog against the wall. What was that about. At an international school in France the young teacher Cara writes her own version of the classic tale by the Brothers Grimm. Their fairy tale is nothing like Cara's relationship with David but when Cara disappears can the story help David unravel what has happened. As for the various princesses and frogs in this intriguing multi-layered novel will any live happily ever after. This is a stunning debut adult novel by James Norcliffe who is renowned for his award-winning children's books and for his poems which David Eggleton says invariably get us to attend more closely to the spirit of existence to moments of being.
