The Future According To Kids:

Introduction to YouTube Kids Gilad James, PhD, 2021 YouTube Kids is a video streaming platform that is specialized for children under the age of 13 providing a safe and age appropriate environment to explore videos channels and playlists The app was launched in 2015 offering a tailor made interface that is more intuitive and easy to navigate than the regular YouTube app YouTube Kids has a wide range of content including educational videos cartoons music gaming and more all curated by a team of human reviewers to ensure that it is appropriate for young audiences YouTube Kids offers a variety of features that are designed to enhance safety and parental control such as restricted mode which filters out explicit content pause watch history and timer settings that limit screen time Parents can also customize the app s content based on their child s age and interests using the grown ups only area Additionally YouTube Kids also provides parents with the ability to limit the search function to only pre approved videos and enable a timer to monitor how long the child has been using the app Overall YouTube Kids is a valuable tool for parents who want to give their children access to online video content without the concerns of exposing them to inappropriate or harmful material The Secret Life of Kids James W.

Peterson, 2000-10-29 It all began when James Peterson was a camp counselor and two children watching him meditate described the colors they saw around his form we saw colors coming out of his stomach And the outside was purple then it was blue then it was yellow then reddish and light yellow in the middle Studies indicate that almost seven percent of young children have such psychic experiences For the most part they don t tell anybody about them for fear of being ridiculed But the author believes it would be psychologically healthy for them to relate such occurrences to adults if they feel the need In this book Peterson has put together a charming collection of case histories about such psychic episodes He believes they should be accepted as factual that frequently they emanate from the wisdom of innocence present in youngsters The question of the secret life of kids is examined by Peterson from the point of view of philosophy occultism and child psychology He suggests why and how such experiences manifest and their potential value to the child s growth pattern *Soft Skills for Kids* Nancy Armstrong Melser, 2022-05-11 Children today are going through a lot they are busy with school involved in extracurricular activities and trying to navigate the world of COVID and other concerns Teachers and parents are busy too with work school and parenting activities How will they have the time to teach valuable skills such as manners and respect to children These are soft skills the skills necessary to work with others and be a respected and valuable citizen in the workplace of tomorrow *Soft Skills for Kids In Schools at Home and Online* 2nd Edition focuses on ways that teachers and parents can work together to teach soft skills to the children in their lives This book is not a curriculum program or set of lessons to help children but rather a series of teachable moments in which adults teach strategies to children as they happen Finally as the education of children has changed recently due to the pandemic with an increased number of children learning online this book will be a great resource for how adults can work together to help children learn soft skills in schools at home
