The Game Of Disarmament:

The Game of Disarmament Alva Myrdal, 1977 *The Game of Disarmament* Alva Myrdal, 1982 Banning the Bomb, Smashing the Patriarchy Ray Acheson, 2021-06-25 Banning the Bomb Smashing the Patriarchy offers a look inside the antinuclear movement and its recent successful campaign to ban the bomb From scrappy organizing to winning the Nobel Peace Prize in 2017 and achieving a landmark UN treaty banning nuclear weapons this book narrates the journey of the International Campaign to Abolish Nuclear Weapons ICAN and developments in feminist disarmament activism Acheson explains the process through which diplomats activists and nuclear survivors worked together to elevate the horrific humanitarian and environmental impacts of nuclear weapons develop new international law categorically prohibiting the bomb challenge the nuclear orthodoxy and strengthen norms for disarmament and peace Told from the perspective of a queer feminist antimilitarist organizer who was involved from the start of the process through to the treaty s adoption the book utilizes interviews with dozens of participants as well as critical theoretical perspectives about transnational advocacy networks discourse change and intersectional feminist action It is meant to provide useful insights for anyone trying to make change amidst structures of power and politics **Women Nobel Peace Prize Winners, 2d ed.** Anita Price Davis, Marla J. Selvidge, 2015-12-01 From the first woman Nobel Peace Prize recipient Bertha von Suttner 1905 to the latest and youngest female Nobel laureate Malala Yousafzai 2014 this book in its second edition provides a detailed look at the lives and accomplishments of each of these sixteen Prize winners They did not expect recognition or fame for their work economist Emily Greene Balch 1946 was surprised to learn that anyone knew about her But they did not work in isolation all met with discouragement derision threats or in Yousafzai s case attempted murder and exile A history of the Prize and a biographical sketch of Alfred Nobel are included **Parameters**, 1979 **Bulletin of the Atomic Scientists**, 1979-03 Hearings, Reports and Prints of the Senate Committee on Foreign Relations United States. Congress. Senate. Committee on Foreign Relations, 1966 *Searchers, Seers, and Shakers* James A. Schellenberg, 2017-07-28 This volume offers intellectual portraits of eleven giants of the modern social sciences It is bound by two central themes The first is that there is a fundamental unity behind the various forms of social science There is a general social science as well as a variety of social science disciplines The second theme is that a biographical approach is a useful tool for making clear some of the central ideas of social science By looking at the lives and achievements of selected masters we should be better able to understand the fundamental nature or natures of social science In order to determine which figures should be regarded as masters Schellenberg defines the three main kinds of work he sees as central for social science First is the work of basic discovery done by searchers who made especially important contributions to empirical work in the social sciences The persons he selected for special treatment here are Louis Leakey Mary Leakey Margaret Mead and B F Skinner He then considers the work of theory choosing for examination seers who had made especially important theoretical contributions John Dewey Talcott Parsons and

Kenneth Boulding Schellenberg next examines those social scientists who worked to seek changes in society These were the shakers or social reformers In Schellenberg s view these come in three main subtypes and he sought to include at least one example of each Gunnar Myrdal and Alva Myrdal as social engineers C Wright Mills as a rebellious social critic and Daniel Patrick Moynihan as one whose contribution was made more directly into the world of politics Schellenberg s exploration of the lives of these eleven masters of twentieth century social science reveals many surprises and ironies While he points out major contributions he also has felt free to make criticisms As he has said These were all real persons with failings and foibles as well as persons of great achievement I felt that the examination of **Newsletter** ,1977 **News Letter** United States. Portraits of Women in International Law Immi Tallgren,2023 This fascinating volume offers a set of biographies of women and gender non conforming people who made a difference in international law but who in most cases were never well known or have been forgotten These portraits describe each individual s engagement with international law the context in which they worked and the barriers they faced **Alva Myrdal** Yvonne Hirdman,2008-06-25 Published to great acclaim in Sweden Yvonne Hirdman s biography of Alva Myrdal is an intimate rounded portrait of one of the great women of the twentieth century The scholarly partner and wife of Gunnar Myrdal author of *An American Dilemma* and *Asian Dreams* Alva Myrdal was an innovative social scientist and thinker in her own right She helped to lay the intellectual foundations of Sweden s social welfare state pioneered innovative pedagogical programs and techniques and developed an expertise in human rights that led her to become an international ambassador for the United Nations and Sweden Alva assisted Jewish refugees during and after World War II created a non governmental organization for early childhood education worked with UNESCO and was an international advocate for women s equality and personal development Ultimately she was appointed by the Swedish government as ambassador to India and led the Swedish delegation to the eighteen nation UN Disarmament Conference in Geneva Her extensive disarmament efforts won her the Nobel Peace Prize in 1982 At the same time she struggled with many of the issues that women still find challenging how to combine home and family life with the desire to contribute to the common good Her relationship with Gunnar Myrdal was an ongoing folie a deux a true gender drama with Gunnar in the leading role and Alva the constant other trying to cope with love and life from this inferior position Alva Myrdal s published work and the choices she made in her life spoke to the tensions that these conflicts produced and to the several ways she tried to reconcile them Here is a remarkable and dramatic story that transcends borders and has particular resonance today

Nuclear Proliferation and International Security Sverre Lodgaard,Bremer Maerli,2007-06-11 The Nuclear Non Proliferation Treaty has long been key in non proliferation and disarmament activities The Treaty is the major international

legal obstacle for states seeking nuclear weapon capabilities In retrospect and despite setbacks the overall impact of the Nuclear Non Proliferation Treaty has been significant and gratifying Its continued success is by no means guaranteed As old nuclear dangers persist and new ones evolve policies to halt nuclear proliferation are more disparate than at any other time Nuclear weapons remain an essential part of the security policies of leading states and many developmental states maintain strong nuclear weapon ambitions while terrorists have actively been seeking nuclear capabilities In search of an overarching strategy that recognizes both the flaws of the existing non proliferation regime and the value of some of the corrections proposed by regime critics this volume assesses contemporary efforts to stem nuclear proliferation In doing so Nuclear Proliferation and International Security examines a number of cases with a view to recommending better non proliferation tools and strategies The contributors comprise renowned international scholars who have been selected to obtain the best possible analyses of critically important issues related to international non proliferation dynamics and the future integrity of the Non Proliferation Treaty
