Religion Delusion John Eric Carlshausen, 2018-04 This book needed to be written A book about the folly of Religion Folly is described in the Dictionary as being foolish lack of sense and unwise conduct This describes Religion perfectly It is foolish to believe there is an invisible friend in the sky called God who is watching over you and seven billion other people who reside here on Earth He is watching over us twenty four hours a day and has been doing this for Centuries Anyone who believes this nonsense is being foolish and is definitely lacking common sense Unwise conduct is killing yourself and other people in the vain hope that you will go to Heaven where 72 virgins will be waiting for you Best Wishes John Carlshausen
