The Garbage Generation Daniel Amneus,1990 **Garbage Generation** Daniel Amneus,1990 Most criminals grew up in female headed homes Fatherless children are more likely to become delinquents drug addicts gang members rapists child molesters educational failures assassins serial killers suicides unwed parents runaways They are overrepresented in every category of social pathology The following remark from a Georgia judge gives the case for mother custody I ain t never seen the calves follow the bull they always follow the cow therefore I always give custody to the mamas The reason he never saw a calf follow a bull is that cattle don t live in two parent families If we want to live like cattle mother custody is the right policy The fifty percent divorce rate the massive virtually automatic anti male bias of divorce courts the growing economic independence improving education of women mean that there will be more and more divorce more female headed homes more of the crime delinquency produced by such homes The argument of THE GARBAGE GENERATION is that the way to stabilize the two parent family is not to further strengthen its strongest link the mother s role with alimony child support payments welfare etc but to strengthen its weakest link the father s role by guaranteeing fathers custody of children in divorce
