

THE HAMBROS 1779-1979

The intriguing story of the Hambro family begins in 1778 with the young merchant Calmer Levy departing from his father's house in Hamburg to marry a distant relative called Thobe Levi. Her father, a merchant in Copenhagen, had arranged the marriage so that Calmer could inherit his small but flourishing business. A few months after the wedding, in April 1779, Calmer was granted a licence to trade, and following local custom he adopted the name of his native town, which after a spelling error on the official document came to be written as Hambro.

THE HAMBROS 1779-1979

follows the lives of each of Calmer and Thobe's four children – Zipora, Joseph, Isaac and Simon – and their descendants in Denmark, Norway

Handbook on the History of European Banks Manfred Pohl,1994-01-01 Analyse Banque cantonale vaudoise p 1072 1078 From Crisis to Crisis Brian O'Sullivan,2018-12-11 From Crisis to Crisis examines the impact of the harsh conditions of the interwar economy on the British merchant banks The financial crises of 1914 and 1931 are assessed using primary sources The competitive threats including the rise of New York as a rival financial centre are considered It challenges alleged special treatment and provides fresh perspectives on the interwar rationalisation of industry During the late nineteenth century Britain's merchant banks had become pre eminent in a world of fixed exchange rates free trade and the unfettered mobility of international capital This world was increasingly challenged in the interwar period being replaced by floating exchange rates trade protectionism and restrictions on capital movements This book fills a gap in the historiography of British banking by recovering the histories of long forgotten merchant banks rather than focusing on the better known firms Using a wide range of archival resources it traces the strategic transformation by some merchant banks from higher risk capital intensive activities to lower risk advisory services Brian O Sullivan has been jointly awarded the 2019 BAC Wadsworth Prize for From Crisis to Crisis The Transformation of Merchant Banking 1914 1939 It was judged by the Business Archives Council BAC to have made an outstanding contribution to the study of British business history Brian shared the prize with Professor Priya Satia of Stanford University in California **Scandinavia and the Great Powers 1890-1940** Patrick Salmon,2002-04-11 At the beginning of the twentieth century Scandinavia lay on the margin of European power politics but with the polarisation of international relations in the era of the two world wars Denmark Finland Norway and Sweden became the point where the spheres of influence of three great powers Great Britain Germany and Russia intersected In this book Patrick Salmon uses his extensive research in British German and Scandinavian archives to examine the position of the Nordic countries in the great power rivalries and conflicts of the period 1890 1940 However it does not treat the Nordic countries merely as passive victims It seeks to show that despite the disparity in strength between the great powers and the small states of northern Europe the latter had means of adapting to great power pressures and even influencing the policies of their formidable neighbours **The World of Private Banking** Youssef Cassis,Philip Cottrell,Iain L. Fraser,2016-12-05 This is a full and authoritative account of the history of private banking beginning with its development in conjunction with the world markets served by and centred on a few European cities notably Amsterdam and London These banks were usually partnerships a form of organization which persisted as the role of private banking changed in response to the political and economic transformations of the late 18th and early 19th centuries It was in this period and the succeeding Golden Age of private banking from 1815 to the 1870s that many of the great names this book treats rose to fame Baring Rothschild Mallet and Hottinger became synonymous with wealth and economic power as German French and the remarkably long lasting

Geneva banks flourished and expanded The last parts of this study detail the way in which private banking adapted to the age of the corporate economy from the 1870s to the 1930s the decline during and after the Great Depression and the post war renaissance It concludes with an appraisal of the causes and consequences of the modern expansion of private banking no longer the exclusive preserve of partnerships the management of investment portfolios of wealthy individuals and institutions is now a major concern of international joint stock banks

Special Operations in Norway Ian Herrington,2019-04-04

Between 1940 and 1945 Britain s Special Operations Executive SOE carried out sabotage and organised resistance across occupied Europe Over 5 years SOE sent over 500 agents into Norway to carry out a range of operations from sabotage and assassination to attempts to organise an underground guerrilla army This book is the first multi archival international academic analysis of SOE s policy and operations in Norway and the influences that shaped them challenging previous interpretations of the relationship between this organisation and both the Norwegian authorities and the Milorg resistance movement

City State David Kynaston,2010-08-06

An engaging account of the rise and dominance of the City of London arguably the most important phenomenon of British history in the last 300 years The City today is the most dynamic and world beating sector of the British economy Increasingly it is the City that calls the shots More than ever governments and industry are constrained in their conduct by the fear of the judgement of the financial markets This book looks back over the past 20 years and examines the extraordinary rise of this economic entity that is the City of London

City Bankers,

1890-1914 Youssef Cassis,1994-09-15 City Bankers 1890 1914 is a major contribution to a controversial area of economic history and to the debate about the nature of British society in the late Victorian and Edwardian eras It provides a detailed analysis of the banking community of London between 1890 and 1914 when the City of London was the undisputed financial centre of the world

British Banking John Orbell,2017-07-05

This substantially expanded new edition of the Guide to the Historical Records of British Banking contains details of over 700 archive collections held in local record offices university and local libraries and of course banks Wider coverage is given to the records of major domestic banks British owned overseas banks merchant banks and discount houses There are also additional listings of records of long defunct banks Arranged alphabetically by name the entries for each bank contain in most cases A brief history of the bank to explain numerous name changes Information as to where the bank s records are held Details of what the records consist of The entries are set in context by introductory chapters covering the historical structure and function of British banking and the purpose format and research value of the chief series of historical records commonly found in bank archives Bank records concern not just banks but the varied activities that they financed In addition to its contribution to the study of banking history this monumental reference work facilitates a wider knowledge and understanding of the history of British finance
