Christ Jim Marion, 2011-11-01 Jim Marion's book returns us to the central challenge Christianity ought to be handing us. Indeed, how do we put on the mind of Christ? How do we see through his eyes? How do we feel through his heart? How do we learn to respond to the world with that same wholeness and healing love? That's what Christian orthodoxy really is all about. It's not about right belief; it's about right practice. Cynthia Bourgeault, author of *The Wisdom of Jesus*. What does it mean to follow the path of Christ today? *Putting on the Mind of Christ* is the first book to offer an integral understanding of the Christian spiritual path, one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of development used by modern psychology. American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ, how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ. He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget, Carol Milligan, and Lawrence Kohlberg and leads readers to the consciousness that Jesus called the Kingdom of Heaven, the highest level of spiritual development. Marion shows how inner spiritual growth has always been the true essence of Christian practice and shares his own spiritual experiences within a Christ-focused framework. *Pioneering, transcendent and grounded: Putting on the Mind of Christ* will permanently alter the landscape of 21st-century Christianity. *The Fearless Path* Leah Guy, 2017-05-15 A remarkable toolkit of proven strategies to address the root cause of cravings, addictions, anxiety, and guilt. Ann Louise Gittleman, PhD, CNS, New York Times bestselling author of *The New Fat Flush Plan*. Leah Guy believes that disconnection is the root of all fear, and the attempt at letting go causes more problems than it solves. Debunking the myth of detachment and other popular New Age ideologies, she emphasizes that there's no escapism in emotional healing. Rather, the process is about putting the personal pieces of your heart, mind, and soul back together again. *The Fearless Path* offers a radical approach that will heal trauma, fear, heartache, and mental and physical health. Overcoming anxiety, sexual abuse, eating disorders, and addiction using the principles in this book. Leah has spent her life helping others find relief and freedom from personal afflictions. In *The Fearless Path*, you will learn why letting go is the worst advice for healing and how to really move on. How to understand the stories your energy system tells about your mind, body, and spirit, and how to rewrite the script. How to transform fear and anxiety into love and inner peace. Why the law of attraction isn't all it's cracked up to be. Find strength and serenity in the midst of a personal storm. An inspirational guide for true self-healing through practical exercises and profound understandings. Susan Shumsky, D.D., author of *The Power of Chakras* and *Awaken Your Third Eye*. Based on her own profound self-healing, Leah Guy offers a wellspring of inspiration and a cornucopia of practical tools. Highly recommended.
