The Hell Candidate:

The Hell Candidate GRAHAM. MASTERTON, 2018-04-02 I opened my eyes I wasn't dreaming I was awake And right beside me Jennifer was panting and moaning and bouncing up and down on the bed I stared harder into the darkness chilled with fright and against the dim gray light that filtered in through the closely drawn drapes I saw an outline on top of Jennifer that made me cram my hand into my mouth to stop myself from screaming It was a huge bulky outline as dark as sin But its eyes glowed slanted and orange like the eyes of a wolf and on its head were two curved horns It stank of stale incense and animal sweat and it was grunting with grotesque delight When businessman Hunter Peal decided to run for President of the USA they said he didn't have a chance in Hell but they were wrong Initially he seemed pleasant and moderate but then everything started to change As his popularity grew so did his ability to influence people sending them weeping to their knees and seeing sights which no cameras could capture And what of his opponents and the strange accidents which befell them Indeed Hunter Peal was not the man he once was one of the denizens of Hell has made a pact with him and on his inauguration all Hell will be let loose Literally Telos Publishing is proud to present a superb new edition of this long out of print 1981 novel A horrific tale of lust and greed and power from one of the genre's greatest writers Graham Masterton If you like horror novels the kind that make you catch your breath at certain parts can change your perception of the temperature in the room and leave you with impressions that can't be unseen for days if ever then this is your book It really is an absolute masterpiece and in my opinion one of the weirdest most twisted horror tales ever told where the message Be careful who you vote for really makes a hell of a lot of sense Cat DeSpira Retrobitch **The Hell Candidate** Graham Masterton, Thomas Luke, 1980 **The Candidate's Daughter: An Elizabeth McClaine Thriller** Catherine Lea, 2024-03-14 Absolutely spellbinding completely unputdownable Karen Dionne author of THE MARSH KING'S DAUGHTER Politics greed and money in a thrilling book you will not want to put down The Expert Reviewers Twenty two year old car thief Kelsey Money has always been one of the boys She can take down guys bigger than herself in the ring strip a car down to a bucket of bolts and drive better than anyone she knows Kelsey's solid trustworthy dependable But lately something's changed Ever since Matt's drug fueled brother Lionel came back on the scene Kelsey feels like she's become something else dispensable So when she discovers Matt's plan to kidnap the disabled daughter of a Senate candidate and that child will never go home alive Kelsey goes against everything she's ever believed in and makes the decision to save her It's a decision she knows she could regret Because when Matt discovers she's betrayed him she'll be next to die The Candidate's Daughter and its sequels Child of the State and A Stolen Woman are additions to the great action packed character driven mystery and suspense thrillers for readers of Elle Gray Stacy Willingham and Sarah A Denzil Warning Some language may offend What readers are saying about The Candidate's Daughter A terrific ticking clock thriller political suspense of the best kind makes you want to stop and read it all over again A Word from the Author First of all thank you for your interest in my books You'll find in many of

my books I include characters with intellectual or physical challenges Added to this I wanted to write twisty crime thrillers with complex characters and surprise endings so I created the Elizabeth McClaine thriller series So who is Elizabeth McClaine Strong minded Elizabeth uses her connections to the local government in her home town of Cleveland Ohio to find justice for those who need it The stories involve kidnappings and heists corporate greed and murders and storylines that will keep the pages turning onto the wee hours What gives these stories heart Real believable characters from Elizabeth herself to Holly the cherished only daughter born with Down syndrome Having loved and cared for a disabled daughter myself I know the joy and the challenges caring for and loving a disabled child can bring Therefore from book 1 Holly brings Elizabeth a real sense of purpose and a desire to help those in need The books in the series are sequential but each is a standalone so you can read them out of order The Elizabeth McClaine Series so far Includes BOOK 1 THE CANDIDATE S DAUGHTER BOOK 2 CHILD OF THE STATE BOOK 3 A STOLEN WOMAN THE ELIZABETH MCCLAINE BOX SET OF THRILLERS Standalone Titles by Catherine Lea LAST SEEN LEAVING A THRILLER DROPPING DEAD IN DELBY RISH A VERY BRITISH MURDER MYSTERY Satire THE CONTESTANT A SERIAL KILLER THRILLER If you have any questions you ll find my page on Goodreads Again my most heartfelt thanks for your interest Catherine
