## **The Familiar Stranger:**

The Familiar Stranger Christina Berry, 2009-08-25 Craig Littleton's decision to end his marriage would shock his wife Denise if she only knew what he was up to. When an accident lands Craig in the ICU with fuzzy memories of his own life and plans, Denise rushes to his side ready to care for him. They embark on a quest to help Craig remember who he is and in the process they discover dark secrets. An affair. An emptied bank account. A hidden identity. An illegitimate child. But what will she do when she realizes he's not the man she thought he was? Is this trauma a blessing in disguise, a chance for a fresh start? Or will his secrets destroy the life they built together.

**The Familiar Stranger** Tyler Staton, 2025-01-30 Is the Holy Spirit at work in your life? Or are you longing for more of his presence and power? In *The Familiar Stranger*, Tyler Staton draws on Scripture, tradition, and spiritual practices to help you step into a genuine relationship with the Holy Spirit and discover a fully alive spirituality. For a generation searching desperately for authentic spiritual experiences, there's good news: the Holy Spirit's indwelling presence is freely available. Yet confusion and unfamiliarity surround the Holy Spirit, leading too many Christians either to sideline him or misunderstand what he means for their spiritual lives. In *The Familiar Stranger*, Staton reintroduces this oft-neglected person of the Trinity, tracing the story of the Holy Spirit as it unfolds throughout the Bible and inviting believers to close the gap between what Scripture reveals about the Holy Spirit and their lived experience. Along the way, readers will dig into key biblical images and metaphors that reveal the Holy Spirit's nature, roles, and personality; learn about common misperceptions that keep believers and churches from experiencing the fullness of the Holy Spirit's power and presence; discover how the Spirit brings discernment and access to miraculous power to partner with God in the work he's doing in the world; reckon with the indispensable role of spiritual experience for walking with God; and understand how both Word and Spirit work together to draw people into a vibrant, intimate knowledge of God. *The Familiar Stranger* will challenge, inform, and encourage believers from every background to become more deeply acquainted with the Person and work of the Holy Spirit and experience his transformative, life-giving power in their lives.

**The Familiar Stranger Bible Study Guide Plus Streaming Video** Tyler Staton, 2026-01-20 Richard Rohr once wrote, "We must move from a belief-based spirituality to a practiced-based spirituality or little will change in religion, politics, or the world." Today, there is a generation of Christ followers who are desperately seeking such a practice-based or experiential spirituality. For these believers, there is good news: the Holy Spirit's indwelling presence to empower and transform is freely available in their lives. Unfortunately, there is much confusion and unfamiliarity around the person of the Holy Spirit in our modern times, which has led to too many Christians either sidelining him or misunderstanding what he means for their spiritual walk with God. In *The Familiar Stranger Bible Study*, Tyler Staton reintroduces this often-neglected person of the Trinity, tracing the story of the Holy Spirit as it unfolds throughout the Bible and inviting believers to close the gap between what the Bible reveals about him and their lived experience. Along the way, participants will dig into key biblical

images and metaphors that reveal the Holy Spirit's nature, roles and personality. They will discover how the Holy Spirit brings discernment and access to miraculous power to partner with God in the work he is doing in the world. They will also come to understand how both Word and Spirit too often separated in some church traditions work together to draw people into a vibrant, intimate knowledge of God. The Familiar Stranger Bible Study will challenge, inform and encourage believers from every background to become more deeply acquainted with the Person and work of the Holy Spirit and experience his transformative life-giving power in their lives.

Ling Xiaofeng walked alone on the bustling streets of the city at night. The bright neon lights around him, the hustle and bustle of people coming and going and the happy scenes of couples strolling hand in hand all deeply hurt his melancholy, depressed and empty heart.

*Leadershift* Emmanuel Gobillot, 2011-05-03

Leadershift is about adapting and changing traditional models of leadership in response to the influence of mass collaboration. Mass collaboration is a form of collective action which occurs when large numbers of people work independently on a single project, exemplified by websites such as YouTube, Facebook and Second Life. As the traditional models of working are radically altered, those in leadership roles need to understand their place in this new hierarchy and how to respond. Mass collaboration requires a form of leadership that is prepared to let go of the experience, expertise and control it holds precious and be able to see mass participation as an opportunity to create value rather than a threat to its existence.
