America Explained: A Guide for Indian Immigrants Allison Singh ,2019-04-09 America is a confusing place especially today In America Explained A Guide for Indian Immigrants Allison Singh draws upon interviews with Indian immigrants and her own experience to answer practical and complex questions about America For example if America is a land of immigrants how could anyone be anti immigrant How do I know what is offensive to others How do I give my children Indian culture in America How is Donald Trump different from past U S presidents What should I expect as a minority in America Why are there so many mass shootings in America How are gender roles the workplace schools parents medicine business finance and government different in America than India Allison discusses common questions immigrants share as well as those they

might not know to ask The book has two goals First to provide immigrants with information they need to be comfortable confident and successful in America Second to remind them that America is a land of immigrants just like them and they are still welcome here

American Military Life in the 21st Century Eugenia L. Weiss, Carl Andrew Castro, 2018-11-16 A comprehensive guide to the lives and experiences of military service members veterans and their families in the United States today with special emphasis given to those of the post 9 11 era This reference work provides detailed information on the issues U S service members face both stateside and during deployments overseas Issues covered include relations with family substance use housing educational and job training opportunities post traumatic stress disorder and other health issues and experiences of women sexual minorities and ethnic racial minorities in the armed services This set also examines major issues related to military service for people close to the men and women who serve our country such as spouses or partners children and parents grappling with such issues as single parenthood during deployment and bereavement at the loss of a loved one Finally this set is a valuable resource for people seeking a greater understanding of the issues that confront some military service members and veterans from chronic health problems to economic vulnerability to suicide to incarceration The two volumes are written in a comprehensive yet succinct and accessible style by experts familiar with the latest trends and findings

Axelrod & Cooper's Concise Guide to Writing Rise B. Axelrod, Charles R. Cooper, 2011-10-19 Adapted from the best selling St Martin s Guide to Writing Axelrod and Cooper s Concise Guide to Writing provides streamlined versions of the chapters covering six of the most commonly assigned genres in the first year writing course remembering events writing profiles explaining concepts arguing a position proposing a solution and justifying an evaluation The careful integration of well chosen readings with guided writing instruction in these chapters is complemented by coverage of strategies for reading writing and research in brief but complete chapters at the end of the book Read the preface

Nicotine Addiction C. Tracy Orleans, John D. Slade, 1993 Despite persistent warnings from the medical profession about the health risks involved in cigarette smoking millions of people continue to smoke cigarettes With contributions from renowned experts this ground breaking work defines and explains nicotine addiction as a primary problem or disease instead of as a habit or risk factor for other diseases A comprehensive clinical text on tobacco dependence this book provides clinicians with essential information on how to diagnose and treat nicotine addicted patients It also offers the medical epidemiological and behavioral science backgrounds necessary for understanding the process and dynamics of tobacco dependence Following the traditional format of medical texts the book first covers etiology pathogenesis and complications then diagnosis and treatment and finally public health and prevention Part One presents an overview of the biological psychological and social factors that contribute to nicotine dependence including such topics as a description of nicotine delivery systems psychopharmacology economics natural history and epidemiology mortality morbidity and environmental tobacco smoke exposure The second part offers practical guidelines and tools for treating nicotine dependence and describes

a stepped care treatment model with brief interventions that can be easily integrated into routine medical practice This section also covers the role of psychopharmacologic and formal treatment programs the treatment of smokeless tobacco addiction and treating nicotine dependence in pregnant women and in people with medical illnesses other chemical dependencies or psychiatric disorders The last section focuses on worksite and community intervention programs and summarizes the research on smoking patterns and history in women Blacks Hispanics youth and older adults discussing how intervention and prevention programs could be made more effective in these groups Written by the nation's leading tobacco control researchers and clinicians this important work contains new and critical information not previously available

The Medical Library Association Guide to Finding Out about Diabetes Dana L. Ladd, Alyssa Altshuler, 2013-01-11 For the more than 26 million Americans diagnosed with or affected by diabetes having accurate information on the disease is crucial But the sheer volume of information available can be daunting for patients and caregivers alike This comprehensive guide provides librarians and library users with background on key diabetes concepts encompassing reliable print and electronic resources including hard to find periodicals and audiovisual sources Each chapter in this guide presents an overview and description as well as an annotated list of multi format resources on topics including Types 1 and 2 and gestational diabetes Diet clinical trials and support sources Legal and insurance issues With this guide librarians can deepen their understanding and collections and thus improve service to the growing number of patrons affected by at risk for or curious about this pervasive disease

Personal Conflict Management Suzanne McCorkle, Melanie Reese, 2015-08-27 Personal Conflict Management utilizes a modernized theory skill approach to interpersonal conflict placing equal emphasis on the theoretical and practical Supporting the notion that there is not one correct approach to conflict management and utilizing the authors shared experiences as mediators and organizational facilitators this text demonstrates the value of collaborative models for resolving conflict and the necessity and benefits in understanding competitive approaches Through the inclusion of both competitive and cooperative theories the authors present contrasting perspectives of conflict management Beginning with an introduction to conflict the text examines the major approaches and theories of conflict management Following a discussion of the causes and variables which exist within conflicts the skills necessary for conflict management are analyzed including listening the ability to seek information the importance of understanding personality types and behavior patterns negotiation and conflict assessment The final two sections of the text take the reader beyond the basics exploring the difficulties encountered in conflict management the aftermath to a conflict and conflicts in context applying the theoretical concepts to everyday situations Written in an academic yet reader friendly style this textbook is enjoyable and thought provoking for both students and instructors Case studies examples essay suggestions discussion questions etc support an interactive environment that optimizes learning opportunities Instructors will find these features useful in the development of classroom discussions and assignments while students will benefit from the opportunity to examine their own conflict behavior and

enhance their skills in conflict management
