Lord of the World Ke Dong, 2020-03-10 A few hundred years ago there was a group of humans who were known as Force Awakened ones They have the unimaginable power of ordinary humans and the ability to rule the world However Awakened ones are not united and in the end they are separated into two factions. The group was called the Yang Awakened ones also known as the Sky Sun Clan The other faction was the Yin Awakened ones also known as the Earth Yin Tribe A hundred years ago the Sky Sun and Earth Yin Tribes finally had an unprecedented decisive battle In the end the Sky Sun Clan won and the Earth Yin Tribe was completely wiped out The world was eventually ruled by the Heavenly Sun tribe who began to call themselves the Heavenly God race After the war between Yin and Yang the Earth Yin Tribe was demoted to the Earth Devil Race by the God of Heaven Although the Earth demons had been killed and wounded in the great battle the clan's most precious treasure the Earth Yin Saint Demon Codex had been left behind and had set off a wave of bloodshed COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES Vivian Siahaan, 2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years Obviously the summaries have been documented on my blog since 2016 and seemingly in my opinion it is better bundled in a book form since the statistic views show that the classic fictions are those among most read so I rose to comply with that demand The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students Numerous genres are presented because I am quite concious those will bequeath you an imaginative horizon As a work of art many of them transcend their expiatory aspects And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers Finally happy reading and I hope you will find this book useful
